

Kelly Lynn Klump

Curriculum Vitae

Office Address

Department of Psychology
Michigan State University
107B Psychology Building
East Lansing, MI 48824-1116
E-mail: klump@msu.edu; PH: (517) 432-3665; Fax: (517) 432-2476

EDUCATION

University of Minnesota, Minneapolis, Minnesota

Doctor of Philosophy in Clinical Psychology, August 1998

Dissertation: *Genetic and environmental influences on eating attitudes and behaviors.*

Advisors: Gloria R. Leon, Ph.D., William G. Iacono, Ph.D.; Committee: Matt McGue, Ph.D., Cheryl Perry, Ph.D., Dorothy Hatsukami, Ph.D.

University of Minnesota, Minneapolis, Minnesota

Master of Arts in Clinical Psychology, February 1996

Thesis: *The validity of the equal environments and representativeness assumption for twins at risk for the development of eating disorders.*

Advisor: Gloria R. Leon, Ph.D.; Committee: Matt McGue, Ph.D., James Mitchell, M.D.

Michigan State University, East Lansing, Michigan

Bachelor of Science, *Summa cum laude* in Psychology, May 1993

ACADEMIC POSITIONS

Michigan State University, Department of Psychology, MSU Foundation Professor, August 2014 to present

Michigan State University, Department of Psychology, Professor, July 2011 to present

Michigan State University, Department of Psychology, Associate Professor, July 2005 to June 2011

Michigan State University, Department of Psychology, Assistant Professor, August 2000 to June 2005

Western Psychiatric Institute and Clinic, University of Pittsburgh School of Medicine, NIMH

Postdoctoral Clinical Research Fellow, September 1998 to June 2000

McLean Hospital, Department of Psychiatry, Harvard University Medical School, Psychology Intern, July 1997 to June 1998

HONORS, AWARDS, AND FELLOWSHIPS

Elizabeth Hurlock Beckman Award, Elizabeth Hurlock Beckman Award Trust, 2025

Top Rated Abstracts, Eating Disorders Research Society Meeting, 2025

Top Rated Abstracts, Eating Disorders Research Society Meeting, 2024

Top 10 Highest Ranked Posters, International Conference on Eating Disorders, 2023

Leadership Award in Research, Academy for Eating Disorders, 2016

MSU Foundation Endowed Professorship, 2014

Top Rated Abstracts, Eating Disorders Research Society Meeting, 2014

Top 25 Psychology Professors in Michigan, Online Schools Michigan, 2013

Fellow, Association for Psychological Science (APS), 2012

Price Foundation Award for Research Excellence, National Eating Disorders Association, 2012

Top Rated Abstracts, Eating Disorders Research Society Meeting, 2010

Top Rated Abstracts, Eating Disorders Research Society Meeting, 2009

Teacher-Scholar Award, Michigan State University, 2006

Fellow, Academy for Eating Disorders, 2006

The David Shakow Award for Early Career Contributions, Div. 12 (Society of Clinical Psychology), American Psychological Association, 2005

Faculty In Residence – Summer Term (FIRST) Award, University of Colorado, 2004

Distinguished Contributions to Honors Students, Michigan State University, 2004

Young Investigator Award, Eating Disorders Research Society, 1999

Young Investigator Award, World Congress on Psychiatric Genetics, 1999

Trainee, Postdoctoral Research Training Grant, National Institute of Mental Health, 1998 to 2000

Science Directorate Dissertation Award, American Psychological Association, 1997

Trainee, Predoctoral Research Training Grant, National Institute of Mental Health, 1995 to 1997

Eva O. Miller Fellowship (deferred), University of Minnesota, 1995 to 1996

Graduate Student Fellowship, University of Minnesota, 1993 to 1994

TEACHING EXPERIENCE

Undergraduate Courses:

- The Etiology of Eating Disorders
- Abnormal Psychology

Graduate Courses:

- Behavior Disorders
- Cognitive Behavioral Therapy
- Grant Writing Seminar
- Clinical Psychology Practicum Course
- Psychotherapy Supervisor

PROFESSIONAL ACTIVITIES

Editorships, Editorial Boards, Grant Review Committees, Awards Committees:

Senior Associate Editor, *International Journal of Eating Disorders*, June 2024-present

Consulting Editor, *Journal of Psychopathology and Clinical Science* (formerly *Journal of Abnormal Psychology*), 2023-present

Associate Editor, *Psychological Medicine*, January 2019-present

Specialist Subject Editor, *Journal of Child Psychology and Psychiatry*, June 2016-present

Associate Editor, *International Journal of Eating Disorders*, May 2009-present

Editorial Board, *Frontiers in Behavioral and Psychiatric Genetics*, 2010-2021

Editorial Board, *Nutrition and Brain Health, Frontiers in Neuroscience and Nutrition*, 2014-2021

Associate Editor, *Clinical Psychological Science*, 2016-2020

Co-Guest Editor, Virtual Issue on eating disorders in people of Black/African American and Indigenous heritage, *International Journal of Eating Disorders*, 2020.

Member, MSU All-University Awards Committee, 2018-2020

Study Section Chair, NIH Biobehavioral Regulation, Learning and Ethology (BRLE) Study Section, 2018-2020

Co-Guest Editor, Virtual Issue on animal studies of eating disorders, *International Journal of Eating Disorders*, 2018- 2020.

Member, Selection Committee, David H. Barlow Poster Award for Research Excellence, Renfrew Center Conference, July 2018-2020

Editorial Board, *Clinical Psychology: Science and Practice*, 2011- 2019

Consulting Editor, *Journal of Abnormal Psychology*, 2011- 2019

Member, NIMH Research Domain Criteria Workshop on Development and the Environment, November 2019 (unable to attend in-person meeting due to family emergency)

Interim Study Section Chair, NIH BRLE Study Section, May 2018

Editorial Board, *Psychological Medicine*, 2006- 2018

Member, NIH Biobehavioral Regulation, Learning and Ethology (BRLE) Study Section, 2015- 2018
Member, NIH Fellowships and Dissertation Grants Special Emphasis Panel (ZMH1 ERB-M (01) S), October 2017
Editor, *A F.E.A.S.T. Family Guide to the Neurobiology of Eating Disorders*, 2014-2016
Scientific Advisory Council, Anorexia Nervosa Genetics Initiative (ANGI), 2013-2016
Member, NIH Loan Repayment Program Study Section, March 2015
Co-Editor, Special Issue on Strategic Medicine, *International Journal of Eating Disorders*, 2016-2017
Consulting Editor, *Journal of Child Psychology and Psychiatry*, 2013-2016
Co-Editor, Special Issue on Gene-Hormone Interplay, *Behavior Genetics*, 2013-2015
Editorial Board, *Journal of Clinical Child and Adolescent Psychology*, 2012-2015
Co-Editor, Special Issue on Developmental Risk for Eating Disorders across the Lifespan, *International Journal of Eating Disorders*, 2013-2014
Editorial Board, *Eating Disorders Review*, 2009-2014
Ad Hoc Member, NIH BRLE Review Group, June 2014
Ad Hoc Member, NIH Biobehavioral Research Awards for Innovative New Scientists (BRAINS), ZMH1 ERB-L, March 2013
Ad Hoc Member, NIH BGES Review Group, June 2013
Ad Hoc Member, NIH, ZRG1 BBBP-V (61) C, Special Emphasis Panel, January 2012
Ad Hoc Member, NIH, Loan Repayment Program, Review Group, April 2012
Ad Hoc Member, NIH, BGES Review Group, June 2012
Ad Hoc Member, NIH ERBB (07) Review Group, July 2012
Standing Member Invitation, NIH APDA Review Group, 2012 (declined)
Editorial Board, *Journal of Child Psychology and Psychiatry*, April 2012-December 2012
Ad Hoc Member, NIH, Loan Repayment Program, Review Group, March 2011
Work Group Member, National Institute of Mental Health (NIMH), Research Domain Criteria (RDoC), Positive Valence Systems Workshop, June 2011
Ad Hoc Member, NIH, ZMH1 ERB-F (08 S) Special Emphasis Panel, July 2011
Ad Hoc Member, NIH, ZMH1 ERB-F (02), Special Emphasis Panel, October 2011
Ad Hoc Member, NIH, ZMH1 ERB-N (04) Special Emphasis Panel, February 2010
Ad Hoc Member, NIH, ZMH1 ERB-F (02) Special Emphasis Panel, November 2010
Editorial Board, *International Journal of Eating Disorders*, November 2002-April 2009
Ad Hoc Member, NIH, ZRG1 EPS-H 02 M Special Emphasis Panel, June 2009
Ad Hoc Member, NIH, ZRG1 PSE-J (58) Special Emphasis Panel, July 2009
Ad Hoc Member, NIH, ZRG1 ZRG1 PSE-C (58) Special Emphasis Panel, July 2009
Ad Hoc Member, NIH, ZMH1 ERB-D (06) Special Emphasis Panel, January 2008
Chair, NIH ZMH1 ERB-D 11 S Special Emphasis Panel, May 2008
Ad Hoc Member, NIH, ZMH1 ERB-D 10R Special Emphasis Panel, July 2007
Ad Hoc Member, NIH, ZRG1 Review Group, March 2005
Ad Hoc Member, NIH, APDA Review Group, February 2004, October 2004
Ad Hoc Member, NIH, CPDD Review Group, June 2004
Ad Hoc Member, NIH, SSS-C Special Emphasis Panel, July 2003
Ad Hoc Member, NIH, BBBP-5 Review Group, June 2003
Ad Hoc Member, National Institute of Health (NIH), GRB-C Review Group, April 2003

Ad Hoc Journal Reviews

Acta Psychiatrica Scandinavica, Acta Neuropsychiatrica, American Journal of Clinical Nutrition, American Journal of Pharmacogenetics, American Journal of Physiology - Regulatory, Integrative and Comparative Physiology, American Journal of Psychiatry, Appetite, Archives of General Psychiatry, Behavior Genetics, Biological Psychiatry, Biological Psychology, Body Image, Child Development, Child Development Perspectives, Clinical Psychology Review, Current Opinion in Behavioral Sciences, Depression and Anxiety, European Journal of Endocrinology, European Neuropsychopharmacology, Hormones and

Behavior, Human Genetics, International Journal of Eating Disorders, International Journal of Obesity, Journal of Abnormal Psychology, Journal of Child Psychology and Psychiatry, Journal of Clinical Child and Adolescent Psychiatry, Journal of Clinical and Consulting Psychology, Journal of Clinical Investigation, Journal of Clinical Psychology, Journal of Nervous and Mental Disease, Journal of Psychiatric Research, Maturitas, Medical Science Monitor, Neuropsychiatric Genetics, Neuropsychopharmacology, Neuroscience Letters, Nicotine & Tobacco Research, Pediatric Research, Personality and Individual Differences, Physiology and Behavior, PLOS One, Progress in Neuropsychopharmacology and Biological Psychiatry, Psychological Assessment, Psychological Bulletin, Psychological Medicine, Psychosomatic Medicine, Women and Health

Positions in Professional Organizations/Groups and University/Department Committees:

Member, Anorexia Nervosa Working Group, Psychiatric Genetics Consortium, January 2013-present
Co-Director of Clinical Training, Clinical Psychology Program, Department of Psychology, Michigan State University, August 2022-present
Member, Advisory Board Member, The Renfrew Center Clinical Excellence Board, October 2014-May 2022
Member, Task Force for Graduate Education, Department of Psychology, August 2019-May 2020
Director of Clinical Training, Clinical Psychology Program, Department of Psychology, Michigan State University, August 2018-August 2019
Associate Director of Clinical Training, Clinical Psychology Program, Department of Psychology, Michigan State University, August 2017-August 2018.
Treasurer and Membership Chair, Behavior Genetics Association, June 2014-June 2017
Member, Society for Behavioral Neuroendocrinology (SBN) Annual Conference Committee, June 2011-August 2014
Member, Academy for Eating Disorders (AED) Finance Committee, May 2011-March 2014
Member, AED Nominating Committee, June 2010-May 2013
Member, London Biannual Conference on Eating Disorders Committee, October 2011-March 2013
Acting Director of Clinical Training (DCT), Clinical Psychology Program, MSU January 2012-August 2012
Chair, AED Scientific Committee, November 2007-May 2012
Member, AED Search Committee for Editor-In-Chief for the *International Journal of Eating Disorders*, March 2010-May 2011
Co-Chair, AED Research-Practice Committee, December 2006-June 2010
Immediate Past President, AED, May 2008-May 2009
Chair, AED Nominations Committee, May 2008-May 2009
President, AED, May 2007-May 2008
President Elect, AED, June 2006-April 2007
Member, AED Development Committee, June 2006-April 2007
Secretary and Member of the Executive Committee, AED, May 2003-June 2006
Co-Chair, AED, Website Task Force, November 2003 to June 2006
Co-Chair, AED 2004 International Conference on Eating Disorders, May 2002 to May 2004
Chair, Membership Council, AED, May 2000-May 2003
Conference Planning Committee Member, AED 2002 and 2006 International Conference on Eating Disorders
Co-Chair, Membership Recruitment and Retention Committee, AED, January 2000-May 2001

Professional Affiliations:

Member, American Psychological Association (APA), 1997-present
Member, AED, 1999 to present
Member, Eating Disorders Research Society (EDRS), 1999-present
Member, Behavior Genetics Association (BGA), 1999-present

Member, Association for Psychological Science (APS), 2000-present
Member, Society for Behavioral Neuroendocrinology (SBN), 2011-present
Member, Society for the Study of Ingestive Behavior (SSIB), 2022-present

Professional Credentials:

Licensed Psychologist, State of Michigan, 2006-present

CURRENT/PAST GRADUATE STUDENTS AND POSTDOCTORAL FELLOWS

Undergraduate Thesis/SROP/UURAF Students:

Kristen Culbert, Ph.D.
Kyle Gobrogge, Ph.D.
Melissa Munn-Chernoff, Ph.D.
Jessica Baker, Ph.D.
Jessica Van Huysse (Suisman), Ph.D.
Shawn Katterman, Ph.D.
Amanda Woods, Ph.D.
Hannah Nuckols, D.O.
Blair Phillips, B.A.
Macy Mederski, B.A.
Susana Cruz Garcia, B.A.
Jessica Skaff, B.A.
Emily Sokoff, M.A.
Ziyu Zhao, B.A.
Libby Ryan, B.A.
Laura Pascoe
Leo Pereira Sanabria
Sarah Sweers
Isabella Riopelle

Graduate Students:

Sarah Jones, B.A.
Carolina Anaya Maldonado, M.A.
Megan Mikhail, Ph.D.
Natasha Fowler, Ph.D.
Shannon O'Connor, Ph.D.
Britny Hildebrandt, Ph.D.
Jessica Van Huysse (Suisman), Ph.D.
Sarah Racine, Ph.D.
Alexia Spanos, Ph.D.
Kristen Culbert, Ph.D.
Jennifer Slane, Ph.D.
Ioanna Kalogiros, Ph.D.
Gillian Stavro, Ph.D.
Janet Eggert (Solomon), Ph.D.
Patrick Perkins, Ph.D.

Postdoctoral Fellows:

Kristen Culbert, Ph.D.
Phuong Vo, Ph.D.
Emily Rolan, Ph.D.

GRANTS

Current:

NIMH, R01: “Hormonal Mechanisms of Perimenopausal Risk for Psychosis in Women”; Klump/Culbert/Thakkar (Multi-PI); \$2,510,821 (direct costs); 1/1/2022-1/31/2027.

NIMH, R01: “A Twin Study of Androgen Effects on Binge Eating during Puberty in Males”; Klump/Culbert (Multi-PI); \$2,367,912 (direct costs); 5/15/2019-12/31/2025 (Mid-Project Extension and NCE).

NIMH, Administrative Supplement for COVID-19 Disruptions, “A Twin Study of Androgen Effects on Binge Eating during Puberty in Males”; Klump/Culbert (Multi-PI); \$215,591 (direct costs); 8/1/2024-12/31/2025 (NCE).

MSU Office of Research and Innovation, Shared Research Infrastructure Program (SRIP) Award: “Michigan State University Twin Registry”; Klump/Burt (Co-PI); \$125,000 (total costs); 2/1/2025-1/31/2026.

GFED: “Midlife Risk for Binge Eating in Women: Quantifying Risk and Unraveling the Effects of Menopause and Ovarian Hormones”; Anaya (Trainee); Klump (Multiple PI); \$40,091 (total costs); 3/1/2022-2/28/2026 (NCE).

GFED: “How Does Disadvantage “Get Under the Skin” to Influence Eating Disorders? A Longitudinal Study of Epigenetic Mechanisms”; Mikhail (Trainee); Klump (Multiple PI); \$6,168 (total costs); 3/1/2022-2/28/2026 (NCE).

NICHD, R01: “The Methylomic Consequences of Neighborhood Disadvantage for Youth Risk-Taking Behaviors”; Burt/Clark (Multi-PI); Klump (Co-Investigator); \$2,587,108 (direct costs); 7/1/2021-5/31/2026.

NIMH, R21: “Hormonal Programming of the Mesocorticolimbic Circuit during Adolescent Development”; Sisk/Johnson (Multi-PI); Klump (Co-Investigator); \$278,000 (direct costs); 8/7/2024-7/31/2026.

NIMH, F31: “Advancing understanding of perinatal binge eating attitudes and behaviors: A longitudinal investigation of the role of ovarian hormone and executive function changes across pregnancy and postpartum”; Jouppi (Mentee – University of Pittsburgh); Levine/Klump/Hanson/Vize (Co-Mentors); \$119,280 (direct and total costs); 9/1/2025-8/30/2031.

Pending:

NIMH, R01: “A Daily, Longitudinal Twin Study of Testosterone Effects on Binge Eating in Women”; Klump/Culbert/Clark (Multi-PI); \$2,702,513 (direct costs); 4/1/2026-3/31/2031.

NIMH, R01: “Gene x Ovarian Hormone Interactions in Perimenopausal Risk for Psychosis”; Klump/Clark/Culbert/Thakkar (Multi-PI); \$2,703,992 (direct costs); 12/1/2025-11/30/2030.

National Institute on Alcohol Abuse and Alcoholism (NIAAA), R01: “Gene x Ovarian Hormone Effects on Perimenopausal Risk for Alcohol Use/Misuse in a Population-Based Sample”; Klump/Culbert/Clark (Multi-PI); \$2,602,682 (direct costs); 4/1/2026-3/31/2031.

Templeton Foundation: “Where Does Humility Come From? The Development of Humility from Children to Older Adults”; Brandt (PI), Klump (Co-Investigator); \$1,233,145 (direct costs); 8/16/2026-8/15/2029.

Past:

Obesity/Nutrition Research Center, University of Pittsburgh School of Medicine; “Personal and Familial Risk for Eating Pathology in Ballet Dancers”; Principal Investigator; \$15,000 (direct costs).

NIMH, Behavioral Science Track Award for Rapid Transition (B/START); “Familial Transmission of Eating Pathology and Sex Hormones”; Principal Investigator; \$50,000 (direct costs).

NIMH, R03; “Genetic and Environmental Risk for Eating Disorders”; Principal Investigator; \$100,000 (direct costs).

Intramural Grants Program (IRGP), Michigan State University: “Phenotypic and Genetic Relationships between Ovarian Hormones and Disordered Eating During Puberty”; Principal Investigator; \$50,000 (direct costs).

NIMH, c-R01; “Genetics of Anorexia Nervosa”; Devlin (Principal Investigator); Klump (Co-Investigator); \$775,000 (direct costs for project); \$84,530 (direct costs provided to MSU).

NIMH, R21; “Hormones in Sex-Different Developmental Psychopathology”; Nigg (Principal Investigator); Klump (Co-Investigator); \$337,500 (direct costs).

NIMH, Kirschstein National Research Service Award (NRSA) Pre-doctoral Individual Training Fellowship; “Prenatal Testosterone and Risk for Disordered Eating during Puberty”; Culbert (Trainee); Klump (Sponsor); \$63,049 (direct costs).

Michigan State University, College of Social Science Faculty Initiatives Fund; “Prenatal Testosterone and Risk for Disordered Eating during Puberty”; Principal Investigator; \$6,000 (direct costs).

The Wellcome Trust, United Kingdom; “A Genome-Wide Association Study of Anorexia Nervosa”; Collier (Principal Investigator); Klump (Co-Applicant); \$172,038 + additional genotyping costs for over 4,000 probands with anorexia nervosa (direct costs).

NIMH, American Recovery and Reinvestment Act (ARRA) Administrative Supplement for R01; “A Twin Study of Ovarian Hormones and Disordered Eating”; Principal Investigator; \$176,140 (direct costs).

Canadian Institute for Health Research (CIHR), Doctoral Research Award; “Impulsivity as a Moderator of Associations between Ovarian Hormones and Binge Eating”; Racine (Trainee); Klump (Sponsor); \$81,000 (direct costs).

NIMH, Administrative Supplement for R01; “A Twin Study of Ovarian Hormones and Disordered Eating”; Principal Investigator; \$112,876 (direct costs).

NIMH, Administrative Supplement for R01; “Gene-Environment Interactions in Childhood Conduct Problems”; Burt (Principal Investigator); Klump (Co-Investigator); \$40,356 (direct costs).

NIMH, R01; “A Twin Study of Ovarian Hormones and Disordered Eating”; Principal Investigator; \$1,976,079 (direct costs); 9/16/2008 – 6/30/2014 (no cost extension).

College of Social Science, Michigan State University, Faculty Initiatives Fund (FIF); “Hormonal and Neural Mechanisms of Binge Eating”; Klump (Co-Principal Investigator); Sisk (Co-Principal Investigator); \$10,737.00 (direct costs).

NIMH, R01; “Gene-Environment Interactions in Childhood Conduct Problems”; Burt (Principal Investigator); Klump (Co-Investigator); \$1,125,000 (direct costs).

Michigan Bloodspot Environmental Epidemiology Project (BLEEP), Pilot Project Program; “Confirming Uterine Influences on Adverse Health Outcomes in Childhood: A Twin-Sibling Study”; Burt (Principal Investigator); Klump (Co-Investigator); \$25,000 (direct costs).

BLEEP, Pilot Project Program; “Gene-environment interplay and young children’s executive functioning”; Trentacosta (Principal Investigator); Klump (Co-Investigator); \$25,000 (direct costs).

NICHD, Administrative Supplement for R01; “Integrating Contextual, Proximal, and Individual Risks for Child Conduct Problems”; Burt (Principal Investigator); Klump (Co-Investigator); \$65,145 (direct costs).

Davis Foundation Postdoctoral Fellowship in Eating Disorders Research; “Organizational Effects of Testosterone on Sex Differences and Developmental Changes in Risk for Binge Eating”; Kristen Culbert (Postdoctoral Fellow); Klump (Co-Mentor); \$177,000 (direct costs).

GFED; “A Translational Approach to Examining Binge Eating and the Reward System: Early and Chronic Stages of Illness”; Britny Hildebrandt (Mentee); Klump (Mentor); \$52,277 (direct costs).

NIMH, R01; “The Effects of Estradiol on Genetic Risk for Disordered Eating during Puberty”; Principal Investigator; \$2,445,440 (direct costs).

NICHD, R01; “Integrating Contextual, Proximal, and Individual Risks for Child Conduct Problems”; Burt (Principal Investigator); Klump (Co-Investigator); \$1,853,074 (direct costs).

Michigan State University (MSU), Strategic Partnership Grant (SPG); “The Children of Twins Registry”; Klump (Co-Principal Investigator); Burt (Co-Principal Investigator); \$400,000 (direct costs).

NIMH, Administrative Supplement for R01 to Improve the Diversity of the Workforce; “A Twin Study of Exogenous Hormone Exposure and Risk for Binge Eating”; Fowler (Mentee); Klump (Principal Investigator); \$98,074 (direct costs).

GFED; “Ovarian Hormones and Risk for Binge Eating: Brain Reward Pathways as Mechanisms of Effects”; Fowler, Mayhall (Trainees); Klump (PI/Mentor); \$55,233.00 (direct costs).

American Heart Association (AHA), Hypertension Research Center: “Epigenomics of Hypertension in Monozygotic Twins and Effect of Salt Intake”; Watson (Principal Investigator); Klump (Co-Investigator); \$475,272 (direct costs for subcontract).

National Institute on Deafness and Other Communication Disorders (NIDCD), R21: “Imaging Genetics Study of Twins who Stutter”; Chang (Principal Investigator); Klump (Co-Investigator); \$41,277 (direct costs for subcontract).

NIMH, Administrative Supplement for R01 to Improve the Diversity of the Workforce; “A Twin Study of Exogenous Hormone Exposure and Risk for Binge Eating”; Mikhail (Mentee); Klump (Principal Investigator); \$95,792 (direct costs).

NIMH, R01: “Cognitive Control in Anxiety: The Role of Ovarian Hormones”; Moser (Principal Investigator); Klump (Co-Investigator); \$2,018,217 (direct costs).

NIMH, R21: “Novel Methods for Longitudinal Study of Synergistic Gene-Environment Interactions in Complex Diseases”; Cui (Principal Investigator); Klump (Co-Investigator); \$275,000 (direct costs).

NIMH, R01: “A Twin Study of Exogenous Hormone Exposure and Risk for Binge Eating”; Klump (Principal Investigator); \$2,465,085 (direct costs); 3/01/2017-2/28/2024 (COVID-19 no cost extension).

NIMH, Administrative Supplement for R01 for COVID-19-Related Disruptions; “A Twin Study of Exogenous Hormone Exposure and Risk for Binge Eating”; Klump (Principal Investigator); \$180,408 (direct costs); 7/23/2021-2/28/2024 (COVID-19 no cost extension).

National Science Foundation (NSF), Graduate Research Fellowship Program; “The Interaction between Ovarian Hormones and Genetic Influences on Negative Affect in Women”; Mikhail (Mentee); Klump (Mentor); \$138,000 (direct costs); 8/15/2021-8/14/2024.

NSF, Graduate Research Fellowship Program; “The Nature and Origins of Differences in Parenting across Puberty in a Population-based Twin Sample”; Anaya (Mentee); Klump (Mentor); \$138,000 (direct costs); 8/15/2021-8/14/2024.

National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK): “Using Metabolomics to Define the Behavioral Phenomics of Energy Balance and Exercise Response”; Bray/Vazquez (Multi-Principal Investigator); Klump (Co-Investigator); \$1,334,945 (direct costs); 9/18/19-5/31/2024 (COVID-19 no cost extension).

NICHD, R01; “Neurobiological Pathways Underlying Maladaptive Behaviors in Youth”; Burt/Hyde (Multiple PI); Klump (Co-Investigator); \$2,652,515 (direct costs); 8/18/2017-5/31/2024 (COVID-19 no cost extension).

Global Foundation for Eating Disorders (GFED): “Ovarian Hormones and Risk for Binge Eating during Adolescence”; Lee (Trainee); Klump (Multiple Principal Investigator); \$23,156 (total costs); 3/1/2022-2/28/2025 (NCE).

NIEHS, R01: “Illuminating the Role of Historical Structural Racism in the Neighborhood Exposome and Modern-Day Child Mental Health”; Pearson/Burt (Multi-PI); Klump (Co-Investigator); \$2,618,060 (direct costs); 7/9/2024-4/30/2026 (prematurely terminated via Presidential Executive Order).

NIMH, UH3; “Mechanisms Underlying Resilience to Neighborhood Disadvantage”; Burt/Hyde (Co-Principal Investigators); Klump (Co-Investigator); \$3,044,899 (direct costs); 9/1/2017-6/30/2025 (NCE).

Paper presented at the joint 2019 Keystone Symposia on Obesity and Adipose Tissue Biology/Functional Neurocircuitry of Feeding and Feeding Behavior, Banff, Alberta, Canada.
60. **Klump, K.L.** (March 2019). Critical roles for puberty and ovarian hormones in the development of eating disorders: Evidence from human and animal models. Paper presentation at Department of Psychology Symposium, Indiana University, Bloomington, Indiana.
61. **Klump, K.L.** (October 2019). Neurobiological and hormonal risk factors for eating disorders: Implications for clinical practice. Continuing Education Event Presentation for the Renfrew Center Foundation, Atlanta, Georgia.
62. **Klump, K.L.** (November 2019). Discerning truth: Tackling biases and blind spots in the eating disorder science and research. Research panel presentation at the Renfrew Center Annual Conference, Philadelphia, Pennsylvania.
63. **Klump, K.L.** (December 2019). Phenotypic and genetic effects of ovarian hormones on binge eating across development. Symposium presentation in the Vazquez research group in the Department of Biostatistics at Michigan State University, East Lansing, Michigan.
64. **Klump, K.L.** (May 2020). Phenotypic and genetic effects of ovarian hormones on binge eating across development. Presentation to the NIMH T32 Postdoctoral Fellows, Department of Psychiatry, University of North Dakota, Virtual Talk.
65. **Klump, K.L.**, Linardon, J., & Tabri, N. (June 2020). The ins and outs of writing a successful systematic review for IJED. Webinar presented during the International Conference on Eating Disorders, Virtual Meeting.
66. **Klump, K.L.**, & Burt, S.A. (June 2020). The Michigan Twins Project (MTP): A resource for eating disorders researchers. Paper presented during the Gene x Environment Special Interest Group Meeting at the International Conference on Eating Disorders, Virtual Meeting.

67. **Klump, K.L.** (November 2020). Why don't women eat and drink like men? Presentation for the Michigan State University Town and Gown Speaker Series, Virtual Talk.
68. **Klump, K.L.** (December 2020). Eating disorders. Podcast for the Athi Project.
69. **Klump, K.L.,** Weissman, R.S., Compte, E., Mikhail, M., & Fowler, N. (April 2021). Becoming an effective reviewer of scientific journal manuscripts. Webinar presented during the International Conference on Eating Disorders, Virtual Meeting.
70. **Klump, K.L.** (October 2021). Sex differences in eating disorders and binge eating. Paper presented at the Spartans Empower Body Acceptance Virtual Meeting.
71. **Klump, K.L.** (December 2021). Ovarian hormone influences on binge eating across development. Paper presentation to the Global Foundation for Eating Disorders (GFED) Executive Board, Virtual Meeting.
72. Burt, S.A., Carroll, S.L., & **Klump, K.L.** (January 2022). How do disadvantaged neighborhood contexts shape the genetic and environmental origins of ADHD? Plenary Symposium at the 2022 meeting of the American Professional Society of ADHD and Related Disorders (APSARD), Virtual Meeting.
73. **Klump, K.L.** (March 2022). Critical role for ovarian hormones in phenotypic and genetic risk for binge eating in women. Grand Rounds presentation in the Department of Psychiatry, Texas A&M University, Virtual Presentation.
74. **Klump, K.L.,** Culbert, K.M., Johnson, A., & Sisk, S.L. (July 2022). Ovarian hormone programming of neural systems during puberty and their links to binge eating. Symposium presentation at the Society for the Study of Ingestive Behavior, Virtual Presentation.
75. **Klump, K.L.,** & Di Dio, A.M. (January 2023). Combined oral contraceptive use and risk for binge eating: Potential gene x hormone interactions. Paper presentation at the Mind the Gap: Hormonal Contraceptives and Brain Health Virtual Conference, Virtual Presentation.
76. **Klump, K.L.** (October 2023). Critical roles for puberty and ovarian hormones in the development of eating disorders: Evidence from human and animal models. Colloquium presentation at Douglas Hospital, McGill University, Montreal, Canada.
77. **Klump, K.L.** (March 2024). Big Ideas in Eating Disorders. Invited podcast for the *Big Ideas in Eating Disorders* series hosted by Dr. Kathy Pike. (<https://bigideasineatingdisorders.podbean.com/page/4/>)
78. **Klump, K.L.** (June 2024). The role of ovarian hormones during puberty in risk for binge-like eating in female rats and humans. Invited presentation at the International Workshop on Obesity and Eating Disorders, Camerino, Italy.
79. **Klump, K.L.** (September 2024). Critical roles for ovarian hormones in phenotypic and genetic risk for binge-related disorders in women. Colloquium presentation in the in the Department of Psychology, University of Iowa, Iowa City, IA.
80. **Klump, K.L.** (September 2024). Writing effective training grants: Trainee and mentor strategies for maximizing success. Colloquium presentation in the Department of Psychology, University of Iowa, Iowa City, IA.

81. **Klump, K.L.** (October 2024). Critical roles for ovarian hormones in phenotypic and genetic risk for binge-related disorders in women. Invited presentation at the MSU Precision Health Symposium, East Lansing, MI.
82. **Klump, K.L.** (March 2025). Fireside chat: The impact of research on clinical practice in the last five years. Panelist at the London Eating Disorders Conference, London, England.
83. **Klump, K.L.** (March 2025). Integrating novel approaches into treatment and understanding of eating disorders. Discussant for this plenary at the London Eating Disorders Conference, London, England.
84. **Klump, K.L.** (May 2025). Binge eating and hormones: What's the connection? Podcast presentation for the International Association for Premenstrual Disorders (IAPMD), Virtual Presentation.

CONFERENCE PRESENTATIONS

1. Boots, B.J., Luke, D.A., Brunett, J.S., & **Klump, K.L.** (August 1993). Time and place: Assessing social and physical climate of treatment settings. Poster presented at the American Psychological Association's (APA) Annual Convention, Toronto, Canada.
2. **Klump, K.L.**, & Luke, D.A. (June 1993). Exploring the diversity of dual diagnosis: An example of cluster analysis. Poster presented at Community Psychology's Biennial Conference, Williamsburg, Virginia.
3. Keel, P.K., **Klump, K.L.**, Leon, G.R., & Fulkerson, J.A. (April 1996). Disordered eating in adolescent males. Poster presented at the Seventh New York International Conference on Eating Disorders, New York, New York.
4. **Klump, K.L.**, Keel, P.K., Leon, G.R., & Fulkerson, J.A. (April 1996). The validity of the equal environments and representativeness assumptions for twins at risk for the development of eating disorders. Poster presented at the Seventh New York International Conference on Eating Disorders, New York, New York.
5. **Klump, K.L.**, Fulkerson, J.A., Leon, G.R., & Keel, P.K. (November 1996). Types of eating disorder diagnoses and co-morbidity in adolescents classified as at risk for an eating disorder. Poster presented at the Eating Disorder Research Society Meeting, Pittsburgh, Pennsylvania.
6. **Klump, K.L.**, & McGue, M. (November 1997). Age stability and change in genetic and environmental contributions to eating attitudes and behaviors in female adolescent twins. Paper presented at the Eating Disorder Research Society Meeting, Albuquerque, New Mexico.
7. Keel, P.K., Peterson, C.B., Miller, K.B., Davis, T.L., Crow, S.J., Mitchell, J.E., & **Klump, K.L.** (August 1998). Long-term psychosocial outcome of bulimia nervosa. Paper presented at the American Psychological Association's (APA) Annual Convention, San Francisco, California.
8. **Klump, K.L.**, McGue, M., & Iacono, W.G. (November 1998). Genetic transmission of eating pathology and the personality constructs negative emotionality and constraint. Paper presented at the Eating Disorder Research Society Meeting, Boston, Massachusetts.

9. Miller, K., **Klump, K.L.**, Keel, P.K., & Iacono, W.G. (November 1998). Twin concordance for eating disorders and other forms of psychopathology. Paper presented at the Eating Disorder Research Society Meeting, Boston, Massachusetts.
10. **Klump, K.L.**, Kaye, W.H., Plotnicov, K., Pollice, C., & Rao, R. (June 1999). Familial transmission of personality traits in women with anorexia nervosa and their first-degree relatives. Poster presented at the Academy for Eating Disorders Annual Meeting, San Diego, California.
11. **Klump, K.L.**, McGue, M., & Iacono, W.G. (October 1999). Shared genetic transmission of binge eating and the use of compensatory behaviors in a population-based female adolescent twin sample. Poster presented at the World Congress on Psychiatric Genetics Annual Meeting, Monterey, California.
12. **Klump, K.L.**, McGue, M., & Iacono, W.G. (November 1999). Differential heritability of eating pathology in pre- versus post-pubertal female twins. Paper presented at the Eating Disorder Research Society (EDRS) Meeting, San Diego, California.
13. **Klump, K.L.**, Holly, A., Iacono, W.G., McGue, M., & Willson, L. (May 2000). Physical similarity and twin resemblance for eating attitudes and behaviors: A test of the Equal Environments Assumption. Paper presented at the Ninth New York International Conference on Eating Disorders, New York, New York.
14. **Klump, K.L.**, McGue, M., & Iacono, W.G. (November 2000). The validity of the equal environments assumption for twin studies of eating pathology: A longitudinal investigation. Paper presented at the Eating Disorders Research Society (EDRS) Meeting, Prien Am Chiemsee, Germany.
15. **Klump, K.L.**, McGue, M., & Iacono, W.G. (June 2001). Genetic relationships between personality and disordered eating. Paper presented at the 13th Annual American Psychological Society Meeting, Toronto, Ontario, Canada.
16. **Klump, K.L.**, Ringham, R.M., Marcus, M.D., & Kaye, W.H. (November 2001). A family history/family study approach to examining the nature of eating disorder risk in ballet dancers: Evidence for gene-environment combinations? Paper presented at the Eating Disorder Research Society Annual Meeting, Albuquerque, New Mexico.
17. *Perkins, P.S., **Klump, K.L.**, Iacono, W.G., & McGue, M. (November 2001). Personality traits in women with anorexia nervosa and bulimia nervosa: Evidence for a treatment-seeking bias? Poster presented at the Eating Disorder Research Society Annual Meeting, Albuquerque, New Mexico.
18. *Baker, J.H., Gobrogge, K.L., & **Klump, K.L.** (April 2002). Relationships between depressive symptoms, personality, and disordered eating. Poster presented at the 2002 International Conference on Eating Disorders, Boston, Massachusetts.
19. **Klump, K.L.**, McGue, M., & Iacono, W.I. (April 2002). Shared genetic transmission between binge eating and compensatory behaviors. Paper presented at the 2002 International Conference on Eating Disorders, Boston, Massachusetts.
20. *Munn, M.A., & **Klump, K.L.** (April 2002). Season of birth and disordered eating in female college students. Poster presented at the 2002 International Conference on Eating Disorders, Boston, Massachusetts.

21. *Perkins, P.S., **Klump, K.L.**, & Kaufman, G. (April 2002). Relationships among eating-related shame, globalized shame, and eating attitudes and behaviors. Paper presented at the 2002 International Conference on Eating Disorders, Boston, Massachusetts.
22. **Klump, K.L.**, Ringham, R.M., Kaye, W.H., & Marcus, M.D. (November 2002). Familial risk for eating disorders in ballet dancers: A necessary influence? Paper presented at the Eating Disorders Research Society Meeting, Charleston, South Carolina.
23. *Solomon, J., **Klump, K.L.**, Elkins, I., McGue, M., & Iacono, W.G. (November 2002). Relationships between differential parental treatment and eating pathology. Poster presented at the Eating Disorders Research Society Meeting, Charleston, South Carolina.
24. *Gobrogge, K.L., Baker, J.H., & **Klump, K.L.** (May 2003). Relationships between disordered eating, depressive symptoms, personality, and body mass index in males. Paper presented at the 2003 International Conference on Eating Disorders, Denver, Colorado.
25. *Perkins, P., & **Klump, K.L.** (May 2003). Relationships between estrogen and disordered eating attitudes and behaviors. Poster presented at the 2003 International Conference on Eating Disorders, Denver, Colorado.
26. *Solomon, J., **Klump, K.L.**, McGue, M., & Iacono, W.G. (May 2003). Parent and child perceptions of the parental relationship in anorexia nervosa. Paper presented at the 2003 International Conference on Eating Disorders, Denver, Colorado.
27. *Stavro, G., **Klump, K.L.**, von Eye, A., McGue, M., & Iacono, W.G. (May 2003). Anorexia nervosa and anxiety disorders: An examination of shared transmission. Paper presented at the 2003 International Conference on Eating Disorders, Denver, Colorado.
28. *Gobrogge, K.L. & **Klump, K.L.** (June 2003). Homosexual mating behavior from an evolutionary perspective. Poster presented at the Behavioral Genetics Association Meeting, Chicago, Illinois.
29. **Klump, K.L.**, McGue, M., & Iacono, W.G. (June 2003). Puberty and eating pathology: Shared genetic effects. Paper presented at the Behavioral Genetics Association Meeting, Chicago, Illinois.
30. *Gobrogge, K.L., & **Klump, K.L.** (September 2003). Finger-length and disordered eating: An indirect examination of prenatal hormone exposure. Poster presented at the New York Academy of Science's Adolescent Brain Development Conference, New York, New York.
31. **Klump, K.L.**, McGue, M., & Iacono, W.G. (September 2003). Genetic relationships between puberty and disordered eating. Poster presented at the New York Academy of Science's Adolescent Brain Development Conference, New York, New York.
32. *Culbert, K.M. & **Klump, K.L.** (April 2004). Impulsivity as an underlying factor in the relationship between bulimic and sexual behaviors in female college students. Paper presented at the 2004 International Conference on Eating Disorders, Orlando, Florida.
33. *Gobrogge, K.L., Nummy, K.A, Friderici, K.H., & **Klump, K.L.** (April 2004). Lack of an association between 5HT2a receptor gene polymorphism and disordered eating in women. Paper presented at the 2004 International Conference on Eating Disorders, Orlando, Florida.

34. *Solomon, J., Levendosky, A., & **Klump, K.L.** (May 2004). Relationships between attachment styles and disordered eating. Paper presented at the 2004 International Conference on Eating Disorders, Orlando, Florida.
35. *Stemple, H.L., Munn, M.A., & **Klump, K.L.** (May 2004). Examining the relationship between basal cortisol levels and compensatory behaviors in female college students. Paper presentation at the 2004 International Conference on Eating Disorders, Orlando, Florida.
36. **Stavro, G., **Klump, K.L.**, & Nigg, J. (May 2004). Neuropsychological examination of frontal lobe functioning and disordered eating. Paper presentation at the 2004 International Conference on Eating Disorders, Orlando, Florida.
37. *Woods, A.M. & **Klump, K.L.** (April 2004). Relationships between dietary restraint, stress, and binge eating behaviors in a female college sample. Poster session presented at the 2004 International Conference on Eating Disorders, Orlando, Florida.
38. *Culbert, K.M., & **Klump, K. L.** (October 2004). A closer examination of impulsivity and its role in compensatory and sexual behaviors. Poster presented at the Eating Disorders Society Meeting, Amsterdam, The Netherlands.
39. *Grewal, H.S., Culbert, K.M., Gobrogge, K.L., & **Klump, K.L.** (October 2004). An investigation of familial and genetic associations between disordered eating, mood symptoms, and neurotic personality traits. Poster presented at the Eating Disorders Society Meeting, Amsterdam, The Netherlands.
40. **Klump, K.L.**, Perkins, P., Gobrogge, K.L., Sisk, C., McGue, M., & Iacono, W.G. (October 2004). Phenotypic and genetic relationships between puberty, estrogen, and disordered eating. Paper presented at the Eating Disorders Society Meeting, Amsterdam, The Netherlands.
41. *Solomon, J., **Klump, K.L.**, & Levendosky, A. (April 2005). Relationships between attachment styles, personality, and disordered eating. Paper presented at the 2005 International Conference on Eating Disorders, Montreal, Canada.
42. *Culbert, K.M., Breedlove, S.M., & **Klump, K.L.** (September 2005). Protective effects of prenatal exposure to testosterone on risk for eating disorders: A comparison of opposite-sex and same-sex twins. Poster presented at the Eating Disorders Research Society, Toronto, Canada.
43. **Klump, K.L.**, Burt, S.A., McGue, M., & Iacono, W.G. (September 2005). Changes in genetic influences on disordered eating across adolescence: A longitudinal twin study. Paper presented at the Eating Disorders Research Society, Toronto, Canada.
44. *Culbert, K.M., Edler, C.E., Keel, P.K., & **Klump, K.L.** (June 2006). Fluctuations in binge eating and estradiol over the menstrual cycle in a community sample of women. Paper presented at the 2006 International Conference on Eating Disorders, Barcelona, Spain.
45. *Katterman, S.N., Suisman, J.L., Solomon, J.W., Munn, M.A., & **Klump, K.L.** (June 2006). Season of birth and body mass index in women. Poster presented at the 2006 International Conference on Eating Disorders.
46. *Slane, J.D., Culbert, K.M., & **Klump, K.L.** (June 2006). Externalizing behaviors as predictors of eating pathology in males. Paper presented at the 2006 International Conference on Eating Disorders, Barcelona, Spain.

47. *Trobert, H., & **Klump, K.L.** (June 2006). Disordered eating in adolescents: Teasing and criticism, and parental investment in thinness. Paper presentation at the 2006 International Conference on Eating Disorders, Academy of Eating Disorders, Barcelona, Spain.
48. *Culbert, K.M., Breedlove, S.M., & **Klump, K.L.** (May 2007). Prenatal testosterone exposure and risk for eating disorders: A comparison of opposite sex and same sex twins. Paper presented at the 2007 International Conference on Eating Disorders, Baltimore, Maryland.
49. *Spanos, A., Slane, J. D., & **Klump, K.L.** (May 2007). An examination of eating pathology in discordant twin pairs: A role for nonshared environment. Paper presented at the 2007 International Conference on Eating Disorders, Baltimore, Maryland.
50. *Suisman, J., Slane, J. D., & **Klump, K.L.** (May 2007). Negative affect and cortisol as mediators of the relationship between teasing and binge eating in adolescent girls. Paper presented at the 2007 International Conference on Eating Disorders, Baltimore, Maryland.
51. **Zehr, J.L., Culbert, K.M., Sisk, C.L., & **Klump, K.L.** (May 2007). Long-term biological effects of pubertal timing on the development of disordered eating and anxiety in men and women. Poster presented at the International Conference on Eating Disorders, Baltimore, Maryland.
52. *Culbert, K.M., Zehr, J.L., Sisk, C.L., Slane, J.D., & **Klump, K.L.** (October 2007). Is pubertal timing important? The role of early pubertal timing in disordered eating attitudes and behaviors. Poster presented at the Eating Disorders Research Society Meeting, Pittsburgh, PA.
53. *Katterman, S.N. & **Klump, K.L.** (October 2007). Stigmatization of eating disorders: A controlled study of the effects of the television show *Starved*. Poster presented at the Eating Disorders Research Society Meeting, Pittsburgh, PA.
54. **Klump, K.L.**, Burt, S.A., Sisk, C., & Keel, P.K. (October 2007). Estrogen moderates genetic effects on disordered eating during puberty. Paper presented at the Eating Disorders Research Society Meeting, Pittsburgh, PA.
55. *Nuckols, H.R., Harrell, Z.A.T., & **Klump, K.L.** (October 2007). Thin-ideal internalization mediates associations between feminist beliefs and body dissatisfaction. Poster presented at the Eating Disorders Research Society Meeting, Pittsburgh, PA.
56. Rodefer, J.S., **Klump, K.L.**, & Keel, P.K. (October 2007). Cognitive effects of binge eating modeled in rats. Poster presented at the Eating Disorders Research Society Meeting, Pittsburgh, PA.
57. *Spanos, A., Burt, S.A., & **Klump, K.L.** (October 2007). Do weight and shape concerns exhibit genetic effects? Investigating discrepant findings. Poster presented at the Eating Disorders Research Society Meeting, Pittsburgh, PA.
58. *Slane, J.D., Burt, S.A., & **Klump, K.L.** (October 2007). Gender similarities in genetic and environmental influences on disordered eating. Poster presented at the Eating Disorders Research Society Meeting, Pittsburgh, PA.
59. *Suisman, J.L., Slane, J.D., Burt, S.A., & **Klump, K.L.** (October 2007). Teasing and disordered eating in adolescent females: The importance of competency based teasing. Poster presented at the Eating Disorders Research Society Meeting, Pittsburgh, PA.

60. *Culbert, K.M., Larson, C.L., & **Klump, K.L.** (May 2008). Genetic risk for disordered eating: interactions between 5-HT2a receptor and estrogen receptor beta genes. Paper presented at the International Conference on Eating Disorders, Seattle, Washington.
61. *Racine, S.E., Culbert, K.M., Larson, C.L., & **Klump, K.L.** (May 2008). Relationships between dietary restraint and disordered eating: Moderation by genotype? Paper presented at the International Conference on Eating Disorders, Seattle, WA.
62. *Slane, J.D., Burt, S.A., & **Klump, K.L.** (May 2008). Gender relationships between disordered eating and risk factors in adult male and female twins. Paper presented at a Special Interest Group (SIG) panel discussion at the 2008 International Conference on Eating Disorders, Seattle, WA.
63. *Slane, J.D., **Klump, K.L.**, McGue, M., & Iacono, W.G. (May 2008). Risk factors for anorexia nervosa: A 7-year prospective study. Paper presented at the 2008 International Conference on Eating Disorders, Seattle, WA.
64. *Spanos, A., **Klump, K.L.**, Burt, S.A., McGue, M., & Iacono, W.G. (May 2008). A longitudinal investigation of eating pathology in discordant MZ twins: A case for nonshared environment. Paper presented at the 2008 International Conference on Eating Disorders, Seattle, WA.
65. *Suisman, J., Burt, S.A., & **Klump, K.L.** (May 2008). Weight-based teasing: A non-specific risk factor for disordered eating? Paper presented at the 2008 International Conference on Eating Disorders, Seattle, WA.
66. *Culbert, K.M., Burt, S.A., & **Klump, K.L.** (June 2008). Puberty and the genetic diathesis of disordered eating: A replication study. Poster presented at the Behavior Genetics Association Meeting, Louisville, KY.
67. **Klump, K.L.**, Keel, P.K., Culbert, K.M., Edler, C., & Burt, S.A. (June 2008). Phenotypic and genetic associations between ovarian hormones and binge eating. Paper presented at the Behavior Genetics Association Meeting, Louisville, KY.
68. *Slane, J.D., Burt, S.A., & **Klump, K.L.** (June 2008). Gender relationships between disordered eating, internalizing symptoms, and externalizing behaviors in adult male and female twins. Poster presented at the Behavior Genetics Association Meeting, Louisville, KY.
69. *Spanos, A., **Klump, K.L.**, Burt, S.A., McGue, M., & Iacono, W.G. (June 2008). Nonshared environment and disordered eating: A longitudinal investigation of parent-child conflict. Poster presented at the Behavior Genetics Association Meeting, Louisville, KY.
70. *Suisman, J., Burt, S.A., & **Klump, K.L.** (June 2008). Parental divorce and bulimic symptoms: Evidence for a gene-environment interaction? Poster presented at the Behavior Genetics Association Meeting, Louisville, KY.
71. *Culbert, K.M., Burt, S.A., & **Klump, K.L.** (September 2008). The emergence of sex differences in disordered eating during puberty: A role for gonadal hormones? Poster presented at the Eating Disorders Research Society Meeting, Montreal, Canada.

72. *Racine, S.E., Culbert, K.M., Larson, C.L., & **Klump, K.L.** (September 2008). The moderating effects of impulsivity and dietary restraint on associations between serotonin genes and bulimic symptoms. Poster presented at the Eating Disorders Research Society Meeting, Montreal, Canada.
73. *Rocco, E., Suisman, J., Burt, S.A., & **Klump, K.L.** (September 2008). Sex differences in the relationship between weight-based teasing and disordered eating. Poster presented at the Eating Disorders Research Society Meeting, Montreal, Canada.
74. *Suisman, J., Burt, S.A., & **Klump, K.L.** (September 2008). Lack of evidence for a gene-environment interaction between parental divorce and disordered eating. Poster presented at the Eating Disorders Research Society Meeting, Montreal, Canada.
75. **Kuffel, E.E., **Klump, K.L.**, Burt, S.A., Pivarnik, J.M. (October 2008). A description of adolescent twins' body composition and physical activity. Paper presented at the Annual Meeting of the Mid West Region American College of Sports Medicine, Bowling Green, Ohio.
76. **Kuffel, E.E., & **Klump, K.L.**, Burt, S.A., Pivarnik, J.M. (February 2009). A description of adolescent twins' body composition and physical activity. Paper presented at the Annual Meeting of the Michigan Chapter of the American College of Sports Medicine, Gaylord, Michigan.
77. *Racine, S.E., Culbert, K.M., Larson, C.L., & **Klump, K.L.** (May 2009). What is dietary restraint? A closer look at its factor structure, genetic etiology, and association with disordered eating. Paper presentation at the 2009 International Conference on Eating Disorders, Cancun, Mexico (Note: This presentation was prepared but not delivered due to the cancellation of the conference.).
78. *Slane, J.D., Burt, S.A., & **Klump, K.L.** (May 2009). Gender differences in genetic relationships between disordered eating and alcohol use. Paper presentation at the 2009 International Conference on Eating Disorders, Cancun, Mexico (Note: This presentation was prepared but not delivered due to the cancellation of the conference.).
79. *Spanos, A., Burt, S.A., & **Klump, K.L.** (May 2009). Investigating the heritability of undue influence of weight and shape on self-evaluation. Paper presentation at the 2009 International Conference on Eating Disorders, Cancun, Mexico (Note: This presentation was prepared but not delivered due to the cancellation of the conference.).
80. *Culbert, K.M., Racine, S., Burt, S.A., & **Klump, K.L.** (June 2009). Parental expectations as moderators of genetic and environmental influences on disordered eating. Poster presented at the Behavior Genetics Association Meeting, Minneapolis, Minnesota.
81. **Marceau, K., Humbad, M., Burt, S.A., **Klump, K.L.**, Leve, L., & Neiderhiser, J. (June 2009). Poster presented at the Behavior Genetics Association Meeting, Minneapolis, Minnesota.
82. Moore, M., Slane, J., Mindell, J.A., Burt, S.A., **Klump, K.L.** (June 2009). Genetic and environmental influences on sleep problems: A study of preadolescent and adolescent twins. Poster presented at the Associated Professional Sleep Societies Annual Meeting, Seattle, Washington.
83. Moore, M., Slane, J., Mindell, J.A., Burt, S.A., **Klump, K.L.** (June 2009). Sleep problems and temperament in adolescent twins: The mediating effect of shared environment. Poster presented at the 2009 Associated Professional Sleep Societies Annual Meeting, Seattle, Washington.

84. **Klump, K.L.**, Burt, S.A., Sisk, C., & Keel, P.K. (June 2009). Estradiol moderates genetic risk for disordered eating during puberty. Paper presented at the Behavior Genetics Association Meeting, Minneapolis, Minnesota.
85. Nikolas, M., **Klump, K.L.**, & Burt, S.A. (June 2009). Marital conflict moderates genetic and environmental contributions to ADHD. Poster presented at the 14th Scientific Meeting for the International Society for Research in Child and Adolescent Psychopathology, Seattle, Washington.
86. *Racine, S.E., Burt, S.A., Iacono, W.G., McGue, M., & **Klump, K.L.** (June 2009). Does dietary restraint moderate the heritability of binge eating? Poster presented at the Behavior Genetics Association Meeting, Minneapolis, Minnesota.
87. *Slane, J.D., Burt, S.A., & **Klump, K.L.** (June 2009). Does impulsivity moderate the association between disordered eating and alcohol use? Poster presented at the Behavior Genetics Association Meeting, Minneapolis, Minnesota.
88. *Spanos, A., Burt, S.A., McGue, M., Iacono, W.G., & **Klump, K.L.** (June 2009). Binge eating and compensatory behaviors: Investigating common etiologic influences. Poster presented at the Behavior Genetics Association Meeting, Minneapolis, Minnesota.
89. *Culbert, K.M., Burt, S.A., & **Klump, K.L.** (June 2009). The emergence of sex differences in disordered eating during puberty. Poster presented at the Society for Behavioral Neuroendocrinology Annual Meeting, East Lansing, Michigan.
90. **Klump, K.L.**, Keel, P.K., Culbert, K.M., Burt, S.A., & Sisk, C. (June 2009). Phenotypic and genetic associations between ovarian hormones and binge eating. Poster presented at the Society for Behavioral Neuroendocrinology Annual Meeting, East Lansing, Michigan.
91. *Racine, S., Burt, S.A., Suisman, J., & **Klump, K.L.** (June 2009). Ovarian hormone concentrations in African American girls: Possible mechanisms for early puberty. Poster presented at the Society for Behavioral Neuroendocrinology Annual Meeting, East Lansing, Michigan.

Developmental GxE: The role of neighborhood disadvantage as an etiologic moderator of continuity and change in antisocial behavior. Paper presentation submitted to the Behavior Genetics Association Annual Meeting, Los Angeles, CA.
276. **Shewark, E.A., Carroll, S.L., **Klump, K.L.**, & Burt, S.A. (June 2022). Parenting moderates the etiology of children's social information processing. Paper presentation submitted to the Behavior Genetics Association Annual Meeting, Los Angeles, CA.
277. *Zhao, Z., Anaya, C., Burt, S.A., & **Klump, K.L.** (July 2022). Does teasing moderate associations between maladaptive perfectionism and shape/weight concerns in boys? Poster presented at the 2022 Mid-Michigan Symposium for Undergraduate Research Experiences (Mid-SURE), East Lansing, MI.
278. *Anaya, C., Mikhail, M.E., Burt, S.A., & **Klump, K.L.** (September 2022). Parent-child conflict substantially increases genetic influences on binge eating in pre/early puberty in female pre-adolescents and adolescents. Poster presented at the 2022 Eating Disorders Research Society (EDRS) Annual Meeting, Philadelphia, PA.

279. **Bezek, J.L., Tillem, S., Suarez, G.L., Burt, S.A., Vazquez, A.Y., **Klump, K.L.**, & Hyde, L.W. (September 2022). Associations between functional brain network organization in youth and multi-domain resilience to neighborhood disadvantage. Poster presented at the Flux Society Congress, Paris, France.
280. **Haller, L.L., **Klump, K.L.**, Burt, S.A., Zickgraf, H., & O'Connor, S.M. (September 2022). Heritability of picky eating in young children. Poster will be presented at the Eating Disorder Research Society Annual Meeting, Philadelphia, PA.
281. **Michael, C., Tillem, S., Burt, S.A., **Klump, K.L.**, & Hyde, L.W. (September 2022). The developmental effects of neighborhood disadvantage on functional brain network organization in youth. Poster presented at Flux Society Congress, Paris, France.
282. *Mikhail, M.E., Carroll, S.L., Clark, D.A., O'Connor, S.M., Culbert, K.M., Burt, S.A., & **Klump, K.L.** (September 2022). Neighborhood and familial disadvantage are associated with earlier genetic influences and increased disordered eating in boys. Paper presented at the Eating Disorders Research Society Annual Meeting, Philadelphia, PA.
283. *O'Connor, S. M., Mikhail, M.E., Anaya, C., Haller, L.L., Burt, S.A., McGue, M., Iacono, W.G., & **Klump, K.L.** (September 2022). Exploring the possibility of parents' broad internalizing phenotype acting through passive gene-environment correlations on daughters' disordered eating. Paper presented at the Eating Disorder Research Society Annual Meeting, Philadelphia, PA.
284. **Suarez, G.L., Burt, S.A., Westerman, H.B., Bezek, J.L., **Klump, K.L.**, & Hyde, L.W. (September 2022). Structural brain correlates of resilience among youth exposed to neighborhood disadvantage. Poster presented at the Flux Society Congress, Paris, France.
285. **Westerman, H.B., Burt, S.A., Richmond-Rakerd, L.S., Suarez, G.L., **Klump, K.L.**, & Hyde, L.W. (September 2022). Exposure to community violence as a mechanism linking socioeconomic disadvantage and neural responses to reward. Poster presented at the Flux Society Congress, Paris, France.
286. *Mikhail, M.E., Burt, S.A., Neale, M.C., Keel, P.K., Katzman, D.K., & **Klump, K.L.** (March 2023). Comorbidity between disordered eating and internalizing is driven by genetic and environmental influences shared with emotion regulation. Poster presented at the Society for Affective Science annual meeting, Long Beach, CA.
287. **Suarez, G.L., Burt, S.A., Gard, A.M., **Klump, K.L.**, & Hyde, L.W. (March 2023). Exposure to community violence as a mechanism linking neighborhood disadvantage to amygdala reactivity and the protective role of parental nurturance. Symposium presented at the Society for Research in Child Development 2023 Biennial Meeting, Salt Lake City, UT.
288. **Vazquez, A.Y., Shewark, E.A., Hyde, L.W., **Klump, K.L.**, Burt, S.A. (March 2023). Promoting youth resilience: Elucidating the role of neighborhood features and parenting. Poster presented at the Society for Research in Child Development's Biennial Meeting, Salt Lake City, UT.
289. *Pereira Sanabria, L.F., Ackerman, L.S., Burt, S.A., Sisk, C.L., **Klump, K.L.**, & Culbert, K.M. (April 2023). Androgen Effects on Risk for Binge Eating in Males during Puberty: Project Overview and Current Status. Poster presented at the Undergraduate Research and Arts Forum (UURAF), Michigan State University, East Lansing, MI.

290. **Petroff, E., Pothuraju, S., Stewart, S., Van Rossen, V., Carroll, S.L., **Klump, K.L.**, Hyde, L.W., & Burt, S.A. (March 2023). Associations between age, sex, and parent-child nurturance across adolescence. Poster presented at the University Undergraduate Research and Arts Forum, Michigan State University, East Lansing, MI.
291. *Mikhail, M.E., Carroll, S.L., Clark, D.A., O'Connor, S.M., Burt, S.A., & **Klump, K.L.** (May 2023). Genes and puberty in context: Disadvantage moderates genetic influences on disordered eating during puberty in girls. Paper presented at the Organization for the Study of Sex Differences annual meeting, Calgary, Canada.
292. Thakkar, K.N., Mikhail, M.E., Burt, S.A., Neale, M.C., Keel, P.K., Boker, S., & **Klump, K.L.** (May 2023). Progesterone moderates the relationship between schizotypal traits and negative affect in young women. Paper presented at the 2023 Congress of the Schizophrenia International Research Society Meeting, Toronto, Canada.
293. **Carroll, S.L., Shewark, E.A., Mikhail, M.E., Hyde, L.W., **Klump, K.L.**, & Burt, S.A. (June 2023). Neighborhood disadvantage as an etiologic moderator of rule-breaking trajectories: A longitudinal person-centered approach. Paper presentation at the Behavior Genetics Association Annual Meeting, Murcia, Spain.
294. *Mikhail, M.E., Burt, S.A., Neale, M.C., Keel, P.K., Katzman, D.K., & **Klump, K.L.** (June 2023). Comorbidity between eating disorder symptoms and internalizing is primarily driven by genetic influences on emotion regulation. Paper presented at the Behavior Genetics Association Annual Meeting, Murcia, Spain.
