EDUCATION

University of Minnesota, Minneapolis, MN - Doctor of Philosophy
Clinical Psychology/ Behavioral Genetics, May 2004

Dissertation: *The nature of the association between parent-child conflict and child externalizing pathology*
Advisors: Matt McGue, PhD, William G. Iacono, PhD
Committee: Matt McGue, PhD, Robert F. Krueger, PhD, William G. Iacono, PhD, Canan Karatekin, PhD

University of Minnesota, Minneapolis, MN – Master of Arts
Clinical Psychology/ Behavioral Genetics, January 2001

Thesis: *Sources of comorbidity among ADHD, CD, and ODD: The importance of shared environment*
Advisors: Matt McGue, PhD, William G. Iacono, PhD
Committee: Canan Karatekin, PhD, Matt McGue, PhD, Robert F. Krueger, PhD

Emory University, Atlanta, GA

Bachelor of Arts – *Magna cum laude* in Psychology; second major in History, May 1996

POSITIONS

Michigan State University, Department of Psychology, Professor, June 2015 to present

Michigan State University, Department of Psychology, Associate Professor, June 2010 to June 2015

Michigan State University, Department of Psychology, Assistant Professor, August 2004 to June 2010

Department of Psychology, Hennepin County Medical Center, Predoctoral Clinical Psychology Intern, August 2002 to August 2003

ACADEMIC HONORS

Fellow, Association for Psychological Science (APS), 2021

Erin Phelps Award, Society for the Study of Human Development, 2021

Early Career Impact Award, Federation of Associations in Behavioral and Brain Sciences (FABBS) Foundation, 2013

Early Career Award, Society for Research in Psychopathology, 2010

Fuller and Scott Early Career Award, Behavioral Genetics Association, 2009

National Institutes of Mental Health (NIMH)/ National Institutes on Drug Abuse (NIDA) Travel Award to the Society for Prevention Research conference, May 2007

Doctoral Dissertation Fellowship, University of Minnesota, 2003-2004

National Institutes of Mental Health Neurobehavioral Aspects of Personality and Psychopathology Training Grant, University of Minnesota, 2000-2002

Honorable Mention, National Science Foundation

Graduate School Block Grant Fellowship, University of Minnesota, 1998-1999

Southeastern Regional Research Award, PSI CHI, 1996
High Honors, Psychology, Emory University, 1996

GRANTS

Submitted Grants

- 1) The National Institute of Environmental Health Sciences (NIEHS): “Illuminating the neighborhood exposome and its effects on child mental health”; \$3,818,780 (total costs); 8/01/2022 – 7/31/2027.
Role: Principal Investigator (with Amber Pearson)

Currently Funded Grants

- 1) The National Institute on Aging (NIA), RF1-AG073189: “Quantifying the contributions of mitochondrial DNA to Alzheimer's Disease and related conditions of aging”; \$1,542,903 (total costs); 8/15/2021 – 7/31/2024.
Role: Principal Investigator
- 2) The Eunice Kennedy Shriver National Institute for Child Health and Human Development (NICHD), R01-HD102066: “Examining the methylomic consequences of neighborhood disadvantage for youth risk-taking behavior”; \$2,898,245 (total costs); 7/20/2021 – 5/31/2026.
Role: Principal Investigator (with Shaunna Clark)
- 3) National Institutes of Mental Health (NIMH), R01-MH128196: “Hormonal Mechanisms of Perimenopausal Risk for Psychosis in Women”; Klump, Thakkar, & Culbert (Principal Investigators); \$3,877,370 (total costs); 1/2/2022-1/1/2027
Role: co-Investigator
- 4) The Eunice Kennedy Shriver National Institute for Child Health and Human Development (NICHD), R01-HD093334: “Neurobiological pathways underlying maladaptive behaviors in youth”; \$3,081,989 (total costs); 8/18/2017 – 5/31/2024.
Role: Principal Investigator (with Luke Hyde)
- 5) The National Institute of Mental Health (NIMH), UG3/UH3-MH114249: “Mechanisms underlying resilience to neighborhood disadvantage”; \$3,492,751 (total costs); 9/01/2017 – 8/31/2024.
Role: Principal Investigator (with Luke Hyde)
- 6) The National Institute of Mental Health (NIMH), UG3/UH3-MH114249, Administrative Supplement: “Mechanisms underlying resilience to neighborhood disadvantage”; \$312,270 (total costs); 9/01/2020 – 8/31/2021.
Role: Principal Investigator (with Luke Hyde)
- 7) The National Institute of Mental Health, R01: “A Twin Study of Exogenous Hormone Exposure and Risk for Binge Eating”; Klump (Principal Investigator); \$2,544,588 (direct costs); 3/1/2017 – 3/31/2024.
Role: co-Investigator
- 8) The National Institute of Mental Health, R01, MH117940, “A Twin Study of Androgen Effects on Binge Eating Risk during Puberty in Males”; Klump & Culbert (Principal Investigators); 2/15/19-12/31/2023.
Role: co-Investigator

June 2022

- 9) Global Foundation for Eating Disorders (GFED); “How Does Disadvantage ‘Get Under the Skin’ to Influence Eating Disorders? A Longitudinal Study of Epigenetic Mechanisms”; Mikhail (Trainee); Klump, Burt (Principal Investigators); \$5,875 (direct costs); 1/1/2022-12/30/2023.

Mentored Grants

- 1) NICHD, F32 Ruth L. Kirschstein Postdoctoral Individual National Research Service Award (F32 HD098780-01); “Neighborhood, genotype, and development”; Elizabeth Shewark (Mentee); \$183,690 (direct costs); 6/1/2019-5/31/2022.
Role: Primary Mentor
- 2) National Science Foundation, Graduate Research Fellowship, “Identifying Epigenetic Biomarkers of Resilience”; Alexandra Y. Vazquez (Mentee); \$138,000 (direct costs); 9/1/2019-8/31/2022.
Role: Primary Mentor
- 3) NICHD, F31 Ruth L. Kirschstein Individual National Research Service Award Predoctoral Fellowship (F31 HD098780-01); “The role of environmental disadvantage in the etiologic moderation of children’s antisocial behavior”; Sarah Carroll (Mentee); \$183,690 (direct costs); 4/1/2020-3/30/2023.
Role: Primary Mentor

Previously Funded Grants

- 1) National Human Genome Research Institute, R21, HG10073, “Novel Methods for Longitudinal Study of Synergistic Gene-Environment Interactions in Complex Diseases”; Cui (Principal Investigator); 5/1/2019-4/30/2022.
Role: co-Investigator
- 2) The National Institute of Mental Health, R01, MH110793, “In utero Assessment of the Human Neural Connectome and Later Child Behavior”; Thomason (Principal Investigator); \$521,528 (total costs); 7/15/2016 – 4/30/2021.
Role: co-Investigator
- 3) Collaborative Research Proposal, Michigan State University, Department of Psychology, “The effects of early-life disadvantage on antisocial behavior”; \$15,000; 11/8/2019-4/30/2020.
Role: Principal Investigator (with Joseph Lonstein)
- 4) The Templeton Foundation, Genetics and Human Agency Initiative: “Understanding “what could be”: Heritability in a randomized twin design”; \$425,000 (direct costs); 2/15/2017 – 2/15/2020.
Role: Principal Investigator (with David Z. Hambrick)
- 5) American Heart Association: “Epigenomics of Hypertension in Monozygotic Twins and Effect of Salt Intake”; Vidya (Principal Investigator); \$475,272; 4/01/2015-3/31/2019.
Role: co-Investigator
- 6) The National Institute for Environmental Health Sciences, R21, ES026022: “Consequences of prenatal toxicant exposure on fetal brain function”; \$451,156 (total costs); 7/1/2015-6/30/2018.
Role: Principal Investigator (with Moriah Thomason)
- 7) The Avielle Foundation, Conway Family Award for Excellence in Neuroscience: “Elucidating Neurodevelopmental Pathways to Violence and Antisocial Behavior”; \$80,000; 11/01/2015 – 10/31/2017.
Role: Principal Investigator (with Luke W. Hyde)

- 8) The Eunice Kennedy Shriver National Institute for Child Health and Human Development, R01, HD066040: "Integrating contextual, proximal, and individual risks for child conduct problems"; \$2,957,439 (total costs); 7/25/10 – 5/31/16.
Role: Principal Investigator
- 9) National Institute for Mental Health, R01, MH081813: "Gene-environment interactions in childhood conduct problems"; \$1,573,200 (total costs); 7/01/08 – 3/31/14.
Role: Principal Investigator
- 10) The Eunice Kennedy Shriver National Institute for Child Health and Human Development, R01 Administrative Supplement, HD066040: "Integrating contextual, proximal, and individual risks for child conduct problems"; \$99,998 (total costs); 6/1/2013 – 5/31/2016.
Role: Principal Investigator
- 11) National Institute of Mental Health, R01: "The effects of estradiol on genetic risk for disordered eating during puberty"; Klump (Principal Investigator); \$3,545,295 (total costs); 9/30/10 – 4/30/16.
Role: co-Investigator
- 12) National Institute of Mental Health, R01; "A twin study of ovarian hormones and disordered eating"; Klump (Principal Investigator); \$2,795,126 (total costs); 7/01/08 – 6/30/14.
Role: co-Investigator
- 13) The National Institute of Deafness and Other Communication Disorders, R21, "Imaging genetics study of twins who stutter"; Chang (Principal Investigator); \$275,000 (direct costs); 7/1/2016 – 6/30/2018.
Role: co-Investigator
- 14) Strategic Partnership Grants, Michigan State University, #11-SPG-2408: "The Children of Twins Registry"; \$400,000 (direct costs); 7/01/2012 - 6/30/2016.
Role: Principal Investigator (with Kelly Klump)
- 15) National Institute for Mental Health, R01 Administrative Supplement, MH081813: "Gene-environment interactions in childhood conduct problems"; \$84,074 (total costs); 05/07/2013 – 11/05/13.
Role: Principal Investigator
- 16) National Institute of Mental Health, R01 Administrative Supplement; "A Twin Study of Ovarian Hormones and Disordered Eating"; Klump (Principal Investigator); \$170,380 (total costs); 7/01/12 – 6/30/13.
Role: co-Investigator
- 17) National Institute of Mental Health, R01 Administrative Supplement, American Reinvestment and Recovery Act; "A twin study of ovarian hormones and disordered eating"; Klump (Principal Investigator); \$267,733 (total costs); 10/01/09 – 9/30/11.
Role: co-Investigator
- 18) The Michigan Bloodspot Environmental Epidemiology Project, University Research Corridor Pilot Project Program; "Confirming uterine influences on adverse health outcomes in childhood: A twin-sibling study", \$25,000; 5/07/2013 – 5/06/2014.
Role: Principal Investigator
- 19) The Michigan Bloodspot Environmental Epidemiology Project, University Research Corridor Pilot Project Program; "Gene-environment interplay and young children's executive functioning"; Trentacosta (Principal Investigator); \$25,000; 5/07/2013 – 5/06/2014.

Role: co-Investigator

20) College of Social Science Faculty Initiatives Fund, Michigan State University, “Family context, genes, and childhood psychopathology: A pilot study”; \$10,000 (direct costs); 05/01/09 – 4/30/10.

Role: Principal Investigator

21) Intramural Grants Program, Michigan State University, #04-IRGP-232: “Gene-environment interactions in childhood antisocial behavior”; \$50,000 (direct costs); 5/15/05 – 12/14/06.

Role: Principal Investigator

22) Competitive Discretionary Funds Program, Michigan State University: “Etiology of adolescent personality development”; PI: Christopher J. Hopwood, \$37,672 (direct costs); 6/01/10 – 5/31/12.

Role: co-Principal Investigator

PEER-REVIEWED PUBLICATIONS (N = 203; * student paper, ^ joint first author)

Wang, H., Zhang, J., Klump K.L., **Burt, S.A.**, & Cui, Y. (in press). Multivariate partial linear varying with coefficients model for gene-environment interactions with multiple longitudinal traits. *Statistics in Medicine*.

Pearson, A.M., Shewark, E.A., & **Burt, S.A.** (2022). Associations between neighborhood built, social, or toxicant conditions and child externalizing behaviors in the Detroit Metro area: A cross-sectional study of the neighborhood ‘exposome’. *BMC Public Health*, 22 (1).

Burt, S.A., Clark, D.A., & Neiderhiser, J.M. (in press). Illuminating the origins of the intergenerational transmission of psychopathology with a novel genetically-informed design. *Development & Psychopathology*.

Burt, S.A. & Johnson W. (in press). Joint consideration of means and variances might change our understanding of etiology. *Perspectives in Psychological Science*.

Etiological Contributions to Drunkenness in Adolescence and Young Adulthood: Personality, Heritability, and P300 Amplitude. Paper presented at the annual meeting of Research Society on Alcoholism, Ft. Lauderdale, FL.
- Burt, S.A.**, McGue, M., Krueger, R., & Iacono, W. (2003, April). The Etiology of the Association between Parent-Child Conflict and Childhood Externalizing Symptoms Over Time. Paper presented at the bi-annual meeting of the Society for Research in Child Development, Tampa, FL.
- Burt, S.A.**, McGue, M., Krueger, R., & Iacono, W. (2002, July). A longitudinal examination of the role of parent-child conflict in the Covariation among CD, and ODD. Paper presented at the annual meeting of the Behavior Genetics Association, Keystone, CO.
- Burt, S.A.**, Krueger, R., McGue, M., & Iacono, W. (2001, July). Sources of covariation among ADHD, CD, and ODD: Identifying the Shared Environment. Paper presented at the annual meeting of the Behavior Genetics Association, Cambridge, UK.
- Burt, S.A.**, Krueger, R., & Iacono, W. (2001, April). Sources of comorbidity among ADHD, CD, and ODD: The Importance of Shared Environment. Paper presented at the bi-annual meeting of the Society for Research in Child Development, Minneapolis, MN.
- Burt, S.A.**, Krueger, R., McGue, M., & Iacono, W. (2000, December). Sources of comorbidity among ADHD, CD, and ODD: The Importance of Shared Environment. Paper presented at the annual meeting of the Society for Research in Psychopathology, Boulder, CO.
- Burt, S.A.**, McGue, M., & Iacono, W. (2000, July). An examination of the associations between DRD4 and personality traits. Paper presented at the annual meeting of the Behavior Genetics Association, Burlington, VT.

June 2022

Burt, S.A., Legrand, L., McGue, M., & Iacono, W. (1999, July). Academic motivation and scholastic achievement: an analysis of genetic influences. Paper presented at the annual meeting of the Behavior Genetics Association, Vancouver, CN.

Burt, S.A., Nygaard, L., & Queen, J. (1996, April). Sources of variability as linguistically relevant aspects of speech. Paper presented at the annual meeting of the Southeastern Psychological Association, Norfolk, VA.

TEACHING EXPERIENCE

Instructor, Michigan State University, East Lansing, MI

- Child and Family Psychopathology, Undergraduate Course, Department of Psychology
- Behavioral Genetics, Undergraduate/Graduate Course, Department of Psychology
- Abnormal Psychology, Undergraduate Course, Department of Psychology
- Adult Psychological Assessment, Graduate Course, Department of Psychology
- Adult Psychopathology, Graduate Course, Department of Psychology
- Structural Equation Modeling in Behavioral Genetics, Graduate Course, Department of Psychology

Assessment Supervisor, Michigan State University, East Lansing, MI

- Predoctoral Clinical Psychology Graduate Students working in the MSU Psychological Clinic

Graduate Student Instructor, University of Minnesota, Minneapolis, MN

- Introduction to Clinical Psychology, Department of Psychology
- Controversies in Abnormal Psychology, Department of Psychology
- Introduction to Abnormal Psychology, Department of Psychology
- The Psychology of Individual Differences, Department of Psychology

Short Course in Twin Structural Equation Modeling

- Facultad de Psicología, Departamento de Psicobiológica, Universidad de Murcia (March, 2012)
- Department of Psychology, Michigan State University (July, 2019)

PROFESSIONAL ACTIVITIES

Major activities:

Chair, Center for Scientific Review at the National Institute of Health, Behavior Genetics and Epidemiology study section (BGES), 7/1/2017 – 6/30/2019

Member, Center for Scientific Review at the National Institute of Health, Behavior Genetics and Epidemiology study section (BGES), 7/1/2013 – 6/30/2017

Joint Editor, *Journal of Child Psychology & Psychiatry*, 2014-2018

Associate Editor, *Aggressive Behavior*, 2019-present

Consulting Editor:

Psychological Bulletin

Member of Editorial Board:

Psychological Science

Frontiers in Child and Neurodevelopmental Psychiatry

Frontiers in Behavioral and Psychiatric Genetics

Personality Disorders: Theory, Research, and Treatment

June 2022

Ad Hoc Editorial Consultant:

JAMA Psychiatry, Behavior Genetics, Biological Psychiatry, Criminal Justice and Behavior, Developmental Psychology, European Child & Adolescent Psychiatry, Human Biology, Journal of Abnormal Child Psychology, Journal of Abnormal Psychology, Journal of the American Academy of Child and Adolescent Psychiatry, Journal of Applied Developmental Psychology, Journal of Child Psychology and Psychiatry, Journal of Marriage and Family, Journal of Personality, Journal of Psychopathology and Behavioral Assessment, Journal of Quantitative Criminology, Journal of Research in Adolescence, Journal of Research in Personality, Molecular Psychiatry, Personality and Individual Differences, Perspectives on Psychological Science, Psychology of Addictive Behaviors, Social Science Research

Ad Hoc Grant Reviews:

Chair, MSU Foundation Strategic Partnership Grants, 2017-2018
Co-Chair, MSU Foundation Strategic Partnership Grants, 2016-2017
National Institute on Aging, P01 Program Project special review panel, January 2014
National Institutes of Health, Behavior Genetics and Epidemiology study section, October 2012
National Institute of Mental Health, Loan Repayment Program, April 2011
National Institute on Aging, special review panel on Gene-Social Environment Interplay on Health and Behavior in Later Life, March 2010
National Institutes of Health, American Recovery and Reinvestment Act Challenge grants, June 2009
National Institutes of Health, Psychosocial Development, Risk and Prevention Study Section, June 2007
National Institute of Mental Health, GxE Center Grants, June 2006

SERVICE ACTIVITIES

Member of the Psychology Department Faculty Advisory Committee, 2012 to 2015, 2019 to 2021
Member of University Committee on Faculty Tenure, 2020 to present
Member of University Sponsored Programs Advisory Committee, 2019 to present
Director of Clinical Training (DCT), 2017-2018
Associate Director of Clinical Training (DCT), 2016-2017
Member of Clinical program space committee, 2016-2017
Judge, MSU University Undergraduate Research and Arts Forum, 2015-2016
Member of Statistical Genetics faculty search committee, 2016-2017
Member, Fixed Term Faculty committee, 2012-2015
Chair of Clinical Program Awards committee, 2015-2016
Chair of Clinical Program faculty search committee, 2014-2015
Chair of Program Committee, Society for Research in Psychopathology, 2013
Member of Society for Research in Psychopathology Early Career Award committee, 2012
Chair of Clinical Program search committee for Director of the MSU Psychological Clinic, 2011
Member of Clinical Program Diversity committee, 2011-2012, 2015-2016
International Organizing Committee, Behavioral Genetics Association annual meeting, June 2010
Chair of Clinical Program Diversity Committee, 2009-2010
Chair of Clinical Program Space committee, 2005 to 2010
Member of Clinical Program faculty search committee, 2007 & 2008
Member of Clinical Program graduate admissions committee, 2007, 2009, 2015
Organized new graduate student orientation for Clinical Program, 2005
