

JASON S. MOSER

June, 2021

Office: Michigan State University, Department of Psychology
110-B Psychology Building
East Lansing, MI 48824

Lab website: cpl.psy.msu.edu

E-mail: jmoser@msu.edu

EDUCATION

Ph.D. University of Delaware, August, 2009
Psychology, Clinical Science Program
Dissertation: “Neural correlates of cognitive biases in social phobia”

M.A. University of Delaware, May, 2006
Psychology, Clinical Science Program
Thesis: “Intentional modulation of emotional responding to unpleasant pictures: An ERP study”

B.A. Pennsylvania State University, May, 2001
Psychology (Highest Distinction)

A.A. Harrisburg Area Community College, May, 1999
General Studies (Highest Honors)

APPOINTMENTS

Professor, Department of Psychology, Clinical Science; Cognition & Cognitive Neuroscience; Neuroscience Program, Michigan State University, 2020 — present
Director of Clinical Training, Clinical Science Program, Michigan State University, 2019 — present

Associate Director of Clinical Training, Clinical Psychology Program, Michigan State University, 2018 — 2019

Associate Professor, Department of Psychology, Clinical Psychology; Cognition & Cognitive Neuroscience; Neuroscience Program, Michigan State University, 2015 – 2020

Assistant Professor, Department of Psychology, Cognition & Cognitive Neuroscience, Michigan State University, 2011 – 2015

Assistant Professor, Department of Psychology, Clinical Psychology, Michigan State University, 2009 – 2015

HONORS AND AWARDS

Fellow, Association for Psychological Science

July, 2018

National Institute of Mental Health Clinical Loan Repayment Award

July, 2010 – 2015

Biological Psychology

Top Reviewer, 2007, 2014

Society for Psychophysiological Research

Student Poster Award, October, 2006

University of Delaware

Graduate Student Fellowship, September, 2006

Society for Psychophysiological Research

Student Poster Award, September, 2005

University of Delaware

Graduate Student Fellowship, September, 2005

Pennsylvania State University

Student Marshal, Top Graduate in Psychology, May, 2001

Pennsylvania State University

Golden Key National Honor Society, November, 2000

Pennsylvania State University

National Society of Collegiate Scholars, May, 2000

Pennsylvania State University

Psi Chi, National Psychology Honor Society, May 2000

FUNDING

Current

1. National Institute of Mental Health, R33, MH121641: “Neurally targeted group intervention to reduce early childhood anxiety”; \$2,827,950 (total costs); 1/1/2021 — 12/31/2023.

Role: Co-Principal Investigator (with Fitzgerald & Rosenblum)

2. National Institute of Mental Health, F31, MH125604: “Anxiety and working memory function in women: Exploring the role of dopamine and ovarian hormones”; Louis (Fellow); \$76,137 (total costs); 5/16/2021 — 5/15/2023.

Role: Sponsor

3. National Institute of Mental Health, R01, MH108511: “Cognitive control in anxiety: The role of ovarian hormones”; \$2,803,662 (total costs); 3/25/2016 – 2/28/2021 (NCE through 2/28/2022).
Role: Principal Investigator
4. National Institute of Arthritis and Musculoskeletal and Skin Diseases, K23: “Virtual reality mindfulness meditation in patients after anterior cruciate ligament reconstruction”; \$131,133 (first year total costs); Shelby Baez (Principal Investigator); 6/1/2021 – 5/31/2026.
Role: Primary Mentor
5. Blue Cross Blue Shield of Michigan Foundation. “Strength training exercise and positive self-talk for survivors of sexual assault and gender-based violence”; \$3,000 (total costs); Chris Webster (Awardee); 9/1/2019-8/31/2020 (NCE through 11/1/2021).
Role: Sponsor

Past

1. National Science Foundation, Graduate Research Fellowship Program: “Work and error monitoring: Investigating a causal relationship and its mechanisms”; Gloe (Fellow); \$126,000 (direct costs); 7/1/2018 – 6/30/2021.
Role: Sponsor
2. National Institute of Drug Abuse, R01: “Neurobehavioral liabilities of precursive risk for SUDs in children”; Durbin, Hicks, Zucker (Principal Investigators); \$3,488,520 (total costs); 4/1/2015 – 3/31/2020.
Role: Co-Investigator
3. National Institute of Mental Health, R01 Administrative Supplement, MH108511: “Research Supplement to Promote Diversity in Health-Related Research”; \$137,474 (total costs); Louis (Fellow); 1/01/2019 – 12/31/2020. *Rc*
Principal Investigator/Sponsor
4. Michigan Institute for Clinical & Health Research (MICHR): “Effortful control training: A neurally targeted intervention to reduce anxiety”; \$100,000 (total costs); 6/1/2016 – 5/31/2018 (no-cost extension through 2020).
Role: Co-Principal Investigator (Co-PIs Fitzgerald & Muzik)
5. National Institute of Mental Health, R03, MH102648: “Neurobehavioral assessments for RDoC domains to detect preschool mood disorders”; Fitzgerald & Rosenblum (Principal Investigators); \$166,783 (total costs); 4/1/2015 – 3/31/2017.
Role: Co-Investigator

6. National Science Foundation, RAPID, BCS-1509435: “Harnessing language to reduce anxiety and enhance rational perspective and decision-making in the face of Ebola concerns”; \$120,000 (total costs); 12/1/2014 – 11/30/2016.
Role: Co-Principal Investigator (Co-PIs Kross and Berman)
7. National Institute of Health, K12, HD065879: “Building Interdisciplinary Research Careers in Women’s Health”; Holzman (Principal Investigator); \$243,750 (scholar costs); 1/1/2013 – 3/24/2016.
Role: Scholar
6. Fuller Theological Seminary/Thrive Center in concert with the John Templeton Foundation, IH 116: “Neural, cognitive, and social contributions to the development of intellectual humility”; \$143,864 (total costs); 5/1/2013 – 4/30/2015.
Role: Co-Principal Investigator (Co-PI Danovitch)
7. Mind and Life Institute Varela Award: “The effects of mindfulness on gender stereotype threat”; Lin (Graduate Student Principal Investigator) & Moser (Sponsor); \$15,000 (total costs); 1/1/2015 – 12/31/2016.
Role: Sponsor
8. National Science Foundation, Graduate Research Fellowship Program: “Mechanisms of anxiety’s effects on error processing: The roles of implicit beliefs and worry”; Schroder (Fellow); \$126,000 (direct costs); 5/16/2013 – 5/15/2016.
Role: Sponsor
9. National Institute of Mental Health, F31, MH077388: “Neural correlates of cognitive biases in social phobia”; Simons (Principal Investigator); 9/25/2006 – 9/24/2008.
Role: Fellow

MANUSCRIPTS (Google Scholar h-index = 42; 8,509 total citations)

Published or In Press; first author is primary author; last author is senior author

* shared first-author publication, ‡ graduate student author, + undergraduate student author

In press

1. ‡Louis, C.C., D’Esposito, M., & Moser, J. S. (In Press). Investigating interactive effects of worry and the catechol-o-methyltransferase gene (COMT) on working memory performance. *Cognitive, Affective, and Behavioral Neuroscience*.

INVITED TALKS

Moser, J. (December, 2020). Can we make managing stress and anxiety more manageable? Insights from psychological and brain sciences. Talk given to the Senior Ambassador Program Town and Gown Series, MSU. Virtual.

Moser, J. (May, 2020). Coping with COVID. Talk given to the MLB Mental Health Staff. Virtual.

Moser, J.S. (August, 2019). Neurocognitive markers of self-regulation deficits in anxiety: Implications for intervention and transdiagnostic mechanisms. Talk presented at the National Institute of Mental Health, Rockville, MD.

Moser, J.S. (March, 2019). Neurocognitive mechanisms of self-regulation in anxiety: Insights from studies of error monitoring and emotion regulation. Talk presented at the Department of Psychology at Iowa University, Iowa City, IA.

Moser, J.S. (March, 2018). Neurophysiological mechanisms of cognitive control in anxiety: Themes and variation. Talk presented at the Department of Experimental Psychology at University of Oxford, Oxford, UK.

Moser, J.S. (March, 2018). Neurophysiological mechanisms of cognitive control in anxiety: Themes and variation. Talk presented at the Department of Psychology at Roehampton University, London, UK.

Moser, J. S. (September, 2017). A neurocognitive approach to understanding and addressing self-regulation deficits in anxiety. Talk presented at the College of Nursing at Michigan State University, E. Lansing, MI.

Moser, J. S. (February, 2017). Neurobehavioral mechanisms of error and emotion processing: Implications for individual differences in self-regulation. Talk presented for the Department of Psychology Colloquium Series at Michigan State University, E. Lansing, MI.

Moser, J. S. (September, 2016). Sex differences and the role of ovarian hormones in the relationship between anxiety and error processing. Talk presented for the Neuroscience Program Colloquium Series at Michigan State University, E. Lansing, MI.

Moser, J. S. (April, 2016). Psychophysiology: The Influence of Personality and State of Mind in Autonomic Neural Control and Cardiovascular Reactivity Studies. In Wehrwein, E., & Cater, J. (Co-Chairs) *The Mind Matters: Psychology as an Overlooked Variable in Autonomic Physiology*. Talk presented at the Annual

Meeting of Experimental Biology, San Diego, CA.

Moser, J. S. (February, 2016). Mind your mistakes: Illuminating brain mechanisms linking growth mindset to effective responses to errors. Talk presented at the Learning & the Brain Winter Conference entitled “Shaping Student Mindsets: Promoting Academic Attitudes, Persistence, and Performance”, San Francisco, CA.

Moser, J. S. (November, 2015). Neurocognitive evidence of strategy and individual differences in emotion regulation. Talk presented to the 2nd Annual University of Michigan — Dearborn Health Psychology Research Symposium, Dearborn, MI.

Moser, J. S. (November, 2015). Sex differences and the role of gonadal hormones in the relationship between anxiety and cognitive control. Talk presented at the 4th Annual MSU Conference on Women’s Health Research, East Lansing, MI.

Moser, J. S. (April, 2015). Nudging mechanisms of anxiety: Insights from neurocognitive studies. Talk presented to the Psychology Department at Ohio State University, Columbus, OH.

Moser, J. S. (January, 2015). Nudging mechanisms of anxiety: Insights from neurocognitive studies. Talk presented to the INECO Foundation Workshop Series via Skype, Buenos Aires, Argentina.

Moser, J. S. (January, 2015). What can error monitoring research tell us about functional mechanisms and impairments in anxiety? Talk presented to the Neuroscience Program at Brigham Young University, Provo, UT.

Moser, J. S. (December, 2014). The association between anxiety and error monitoring: What does it mean and how can we leverage it to better predict functional impairment? Talk presented to the University of Chicago’s Human Performance Lab, Chicago, IL.

Moser, J. S. (October, 2014). Dimensions of anxiety: From neurocognitive mechanisms to clinical innovations. Talk presented at the Clinical Psychology Colloquium, Purdue University, West Lafayette, IN.

- Moser, J. S.** (October, 2014). Dimensions of anxiety: From neurocognitive mechanisms to clinical innovations. Talk presented at the annual symposium on Brain, Emotion, and Cognition, Institute of Cognitive Neurology. Buenos Aires, Argentina.
- Moser, J. S.** (May, 2014). Fear/anxiety and ERNing in children: Issues in measurement. Talk presented at the ERN Data Blitz meeting, Department of Psychiatry, University of Michigan, Ann Arbor, MI.
- Moser, J.S.** (January, 2014). How our thinking affects our ability to manage mistakes and emotions. Talk presented at the monthly meeting of the Prime Time Seniors' Program, City of East Lansing, E. Lansing, MI.
- Moser, J.S.** (January, 2014). Cognitive control dynamics in anxiety. Talk presented at the Cognition & Cognitive Neuroscience brown bag meeting, Michigan State University, E. Lansing, MI.
- Moser, J. S.,** Schroder, H. S., & Moran, T. P. (November, 2013). The impact of worry on error-related brain activity and behavioral performance is moderated by hormonal contraceptive use. Talk presented at the 2nd Annual MSU Conference on Women's Health Research, East Lansing, MI.
- Moser, J. S.,** Schroder, H. S., & Moran, T. P. (October, 2013). The impact of worry on error-related brain activity and behavioral performance is moderated by hormonal contraceptive use. Talk presented at the 10th Anniversary Interdisciplinary Women's Health Research Symposium, NIH, Bethesda, MD.
- Moser, J. S.** (July, 2013). Event-related brain potentials in psychological science. Talk presented at the 4th Annual Summer Institute on Cultural Neuroscience, University of Michigan, Ann Arbor, MI.
- Moser, J.S.** (December, 2012). Anxiety and cognitive inefficiency: Findings from error processing, attention capture, and emotion regulation. Talk presented at the Ann Arbor VA Grand Rounds, Ann Arbor, MI.
- Moser, J.S.** (November, 2012). How you use thought to manage emotions matters: Positively reinterpreting negative experiences is associated with more adaptive neurophysiological and behavioral markers than detachment. Talk presented at the College of Nursing at Michigan State University, E. Lansing, MI.

- Moser, J.S.** (November, 2012). Positive versus detached reappraisal: Neural markers and relationships to individual differences. Talk presented at the Social/Personality Brown Bag meeting at Michigan State University, E. Lansing, MI.
- Moser, J. S.** (October, 2012). Anxiety and cognitive inefficiency: Findings from error processing, attention capture, and emotion regulation. Talk presented at the Cognitive Brown Bag meeting at the University of Michigan, Ann Arbor, MI.
- Moser, J. S.** (October, 2012). Sex, worry, and working memory load: Reinterpreting the relationship between anxiety and error processing. Talk presented at the Cognitive Brown Bag meeting at the University of Chicago, Chicago, IL.
- Moser, J. S.** (February, 2012). Probing cognitive-affective interactions in anxiety with electrophysiology. Talk presented to the Clinical Psychology program at Wayne State University, Detroit, MI.
- Moser, J. S.** (October, 2011). Unraveling relationships between anxiety and cognitive control with error-related brain potentials. Talk presented at the Clinical Brown Bag meeting of the Clinical Science group, University of Michigan, Ann Arbor, MI.
- Moser, J. S.** (September, 2011). Individual differences in emotion regulation as revealed by event-related brain potentials. Talk presented at The Cultural Neuroscience Speaker Series, University of Michigan, Ann Arbor, MI.
- Moser, J. S.** (July, 2011). Event-related brain potentials in psychological science. Talk presented at the 2nd Annual Summer Institute in Cultural Neuroscience, University of Michigan, Ann Arbor, MI.
- Moser, J.S.** (October, 2010). Negative affect and error processing: Toward a mutual understanding. Talk presented at the Cognitive Science brown bag meeting, Michigan State University, E. Lansing, MI.
- Moser, J. S.** (July, 2010). Event-related brain potentials and psychological science. Talk presented at the 1st Annual Summer Institute in Cultural Neuroscience, University of Michigan, Ann Arbor, MI.
- Moser, J.S.** (February, 2010). Emotion-cognition interactions in emotion regulation: Findings from event-related brain potentials. Talk presented at the Social Psychology brown bag meeting, Michigan State University, E. Lansing, MI.

Moser, J.S. (December, 2009). A clinical psychophysiological's perspective on emotion regulation. Talk presented to the University of Michigan Emotion and Self-Control Laboratory, University of Michigan, Ann Arbor, MI.

Moser, J.S. (February, 2009). Emotion-cognition interaction in emotion regulation: Findings from event-related brain potentials. Talk presented at the Social Brain Sciences brown bag meeting, Dartmouth College, Hanover, NH.

SYMPOSIA

Moser, J.S., Louis, C., Gloe, L. (March, 2021). A neurobehavioral approach to probing associations between worry and cognitive control functions: Themes and variations. In Zainal, N.H., & Newman, M.G. *Frontiers of Executive and Neurocognitive Functioning in Psychopathology Research and Treatment*. Symposium to be presented at the 40th Conference of the Anxiety and Depression Association of America. Virtual.

Moser, J. S., Louis, C., Gloe, L., & Ma, R. (October, 2020). Sex differences and the role of ovarian hormones in association between anxiety and cognitive control: uncovering novel mechanisms for women's mental health. Symposium talk at the 56th Annual Meeting for the Society for Psychophysiological Research, virtual.

Louis, C., **Moser, J.** (October, 2020) Investigating the Role of Estradiol in Mood and Cognition Across Black and White Females. Symposium talk at the 56th Annual Meeting for the Society for Psychophysiological Research, virtual.

Gloe, L., & **Moser, J. S.** (October, 2020). Exploring functional implications of worry: associations between error-monitoring and proactive control. Symposium talk at the 56th Annual Meeting for the Society for Psychophysiological Research, virtual.

Guevarra, D., **Moser, J.S.**, Wager, T., & Kross, E. (October, 2020). Advancing the viability of nondeceptive placebos to improve physical and psychological health. Symposium talk at the 56th Annual Meeting for the Society for Psychophysiological Research, virtual.

Moser, J.S., Clayson, P., Muir, A., Allen, W., Modersitzki, E., Louis, C., Umemoto, A., Inzlicht, M., & Larson, M. (September, 2019). A preliminary report on a multi-site effort to replicate the association between worry and enlarged action monitoring

brain potentials (Moser et al., 2012). In Clayson, P. & Larson, M., *Methodological rigor and multi-site replications in psychophysiology: Challenges and recommendations*. Symposium presented at the 59th Annual Meeting of the Society for Psychophysiological Research. Washington, DC.

Moser, J.S., Kross, E., & Guevarra, D. (September, 2019). Insights on explicit and implicit emotion regulation from electrophysiology. In Schindler, S. *Electrocortical responses in emotion processing: Insights from healthy participants, amygdala-resection and psychopathological patients*. Symposium presented at the 59th Annual Meeting of the Society for Psychophysiological Research. Washington, DC.

Moser, J.S., Session Chair (September, 2019). *(How) can physiological measures inform us about etiology, diagnosis, and/or treatment of psychopathology*. Symposium presented at the 59th Annual Meeting of the Society for Psychophysiological Research. Washington, DC.

Louis, C., **Moser, J.** (July, 2019) Hormones and Mood Symptomology in Women and Race: Implications for Assessment and Treatment. Invited talk presented at World Congress of Behavioral and Cognitive Therapies, Berlin, Germany.

Orvell, A. & **Moser, J.S.** Co-Chair & Discussant (2019, May). *Beyond the effortful control of emotion: exploring relatively effortless and implicit routes to emotion regulation*. Symposium presented at the 31st Annual Convention of the Association for Psychological Science in Washington, DC.

Moser, J.S. (2019, March). The problem with cognitively demanding emotion regulation strategies. In Moser, J.S. & Kross, E. F., *Can cognitive emotion regulation be effortless?* Symposium presented at the International Convention of Psychological Science in Paris, France.

Moser, J.S. (2018, October). Error monitoring brain activity as a marker of anxiety related cognitive dysfunction in women: the role of ovarian hormones. In Moser, J.S., *Psychophysiology and women's health: Insights on cognitive and emotional health across contexts*. Symposium presented at the 58th Annual Convention of the for Psychophysiological Research in Quebec City, Quebec, CA.

- Moser, J.S.** (2018, May). The role of ovarian hormones in the relationship between anxiety and cognitive control-related error monitoring. In Moser, J. S. & Beltz, A., *The role of ovarian hormones in cognitive function: implications for women's* Symposium presented at the 30th Annual Convention of the Association for Psychological Science in San Francisco, CA.
- Moser, J. S.**, Lo, S., Schroder, H., Fisher, M., Jagoe, C., & Durbin, C. E. (2017, October). What do error monitoring brain potentials tell us about anxiety in children? In Fox, N., *Time frequency, source, and connectivity approaches to study dynamic relations between monitoring, control and anxiety across development*. Symposium presented at the 57th Annual Meeting of the Society for Psychophysiological Research in Vienna, Austria.
- Moser, J. S.** (2017, May). Error monitoring brain activity as a marker of sex differences in anxiety-related cognitive dysfunction: moderation by developmental stage and ovarian hormones. In Moser, J. S. & Shansky R. (Co-Chairs), *Sex Differences in Mechanisms of Stress and Anxiety: Human and Animal Perspectives Across Development*. Symposium to be presented at the Annual Meeting of the Organization for the Study of Sex Differences, Montreal, QC, Canada.
- Moser, J.S.**, Lo, S., Durbin, C.E., Hicks, B. (2016, September). Error monitoring potentials as indicators of familial transmission of externalizing liability. In J. (Chair), *Externalizing Proneness and Substance Use: Theoretical Framework and Evidence from Psychophysiological and Neuroimaging Studies*. Symposium presented at the Annual Meeting of the Society for Psychophysiological Research in Minneapolis, MN.
- Lo, S. L., Fisher, M. E., Danovitch, J. H., & **Moser, J. S.** (2016, May). Moderating role of teacher-reported social-emotional adjustment in the association between ERN and academic achievement. In Lo, S. L & Grammer, J. K (Chairs), *The Role of Self-regulation in Predicting Social-Emotional and Academic Outcomes in Young Children: A Neurophysiological Approach*. Symposium to be presented at the Annual Meeting of the Association for Psychological Science in Chicago, IL.
- Schroder, H.S., Dawood, S., Donnellan, M.B., & **Moser, J.S.** (2016, May). Beliefs about the malleability of anxiety moderate relations between stressful life events and

maladaptive coping. In Schroder, H.S. (Chair), *Do You Think Your Anxiety, Emotions, or Personality Can Change? Mindsets and Relations to Psychological Distress and Resilience*. Symposium to be presented at the 28th Annual Convention for the Association for Psychological Science in Chicago, IL.

Schroder, H.S., Dawood, S., Yalch, M.M., Donnellan, M.B., & **Moser, J.S.** (2015, November). Implicit Theories and Mental Health: Bridging Research Findings to the Clinic. In D.P Valentiner (Chair), *Applying Implicit Theories to the Domain of Psychopathology*. Symposium presented at the 49th Annual Convention of the Association for Behavioral and Cognitive Therapies in Chicago, IL.

Moser, J. S. (October 2015). Striking while the iron is hot: The case for addressing diversity now in psychophysiological research. In Shiota M. & Gatzke-Kopp L. (chairs) *Equal but Not the Same: Why Participant Diversity Matters in the Study of Psychophysiology-Behavior Associations*. Symposium presented at the 55th Annual Meeting of the Society for Psychophysiological Research in Seattle, WA.

Schroder, H.S., Dawood, S., Yalch, M.M., Donnellan, M.B., & **Moser, J.S.** (2015, August). Implicit theories of anxiety: Relations to psychological distress, emotion regulation strategies, and treatment preferences. In J.L. Burnette and L. Knouse (Chair), *Incremental Health: Applications of Implicit Theories in Clinical Psychology*. Symposium presented at the 2015 Convention of the American Psychological Association in Toronto, Canada.

Moser, J.S. & Durbin, E. (May 2015). Associations between dimensions of anxiety and error monitoring across development. In Brooker R. (Chair) *The Margins of error: Characterizing the developing ERN in association with markers of mental health from preschool to late childhood*. Symposium presented at the 27th Annual Convention of the Association for Psychological Science in New York, NY.

Moser, J.S., & Danovitch, J. (May 2015). Sex moderates associations between performance monitoring and intellectual humility in children. In Porter T. (Chair) *Intellectual Humility across the lifespan: Emerging evidence on its cause and consequences*. Symposium presented at the 27th Annual Convention of the Association for Psychological Science in New York, NY.

Moser, J.S., Schroder, H., Bennett, K. (May 2015). Positive reappraisal training versus repeated exposure in worriers: A multiple levels of analysis study. In **Moser J.S.** & Moscovitch (Chairs) *Cognitive emotion regulation training in anxiety: Emerging evidence and variations*. Symposium presented at the 27th Annual Convention of

the Association for Psychological Science in New York, NY.

Moser, J. S., Schroder, H. S., Danovitch, J. Durbin, C. E. (April, 2015). Associations between anxiety subtypes and error monitoring brain activity in young children. In **Moser, J. S.** & Fitzgerald, K. (Chairs), *Error monitoring brain activity in child and adolescent anxiety*. Symposium presented at the Anxiety and Depression Conference 2015 of the Anxiety and Depression Association of America, Miami, FL.

Moser, J. S., Hartwig, R., Moran, T. P., Jendrusina, A. A., Kross, E. (January, 2015). Neural markers of positive reappraisal and their associations with trait reappraisal and worry. In Leitner, J. (Chair), *What neuroscience can tell us about the psychology of well-being*. Symposium presented at the 16th Annual Meeting of the Society for Personality and Social Psychology, Long Beach, CA.

Durbin, C. E., **Moser, J. S.**, Lo, S. L. (September, 2014). Convergent validity of behavioral and neurophysiological measures of internalizing liabilities in early childhood. Paper presented at the 28th Annual Meeting of the Society for Research in Psychopathology, Evenston, IL.

(Chair), *Social mistakes: Social psychological perspectives on error-related brain processes*. Symposium presented at the 52nd Annual Meeting of the Society for Psychophysiological Research, New Orleans, LA.
- Moser, J. S.**, Moran, T. P., & Becker, M. W. (August, 2012). Attention capture by salient, but neutral, stimuli in anxiety. In Huppert, J. (Chair), *Attentional processes in anxiety: Basic to applied applications*. Symposium presented at the 42nd Annual European Association for Behavioural and Cognitive Therapies Congress, Geneva, Switzerland.

- Moser, J. S.** (July, 2012). The bright and dark sides of emotion regulation: Neural correlates of cognitive reappraisal in optimism and worry. In Kross, E. & **Moser, J. S.** (Chairs), *Unpacking emotion regulation: From brain through mind to social context*. Symposium presented at the 16th European Conference on Personality, Trieste, Italy.
- Moser, J. S.**, Moran, T. P., Aviyente, S., Bernat, E., & Jendrusina, A. (September, 2011). Unraveling relationships between action monitoring brain activity and dimensions of anxiety and depression. In **Moser, J. S.** (Chair), *Neurocognitive dysfunction in anxiety and depression*. Symposium presented at the 51st Annual Meeting of the Society for Psychophysiological Research, Boston, MA.
- Moser, J. S.** (May, 2011). Charting the time course of emotion regulation with event-related brain potentials. In **Moser, J. S.** & Kross, E. (Co-chairs), *Automatic and volitional emotion regulation processes across levels of analysis*. Symposium presented at the 23rd Annual Meeting of the Association for Psychological Science, Washington, DC.
- Moser, J.S.** (September, 2009). ERP indices of emotion processing in social anxiety. In Galderisi, S. (Chair), *Processing emotions in anxiety and mood disorders: ERP and neuroimaging findings*. Invited symposium presented at the 6th joint meeting of the EEG and Clinical Neuroscience Society and the International Society of Neuroimaging in Psychiatry, Atlanta, GA.
- Moser, J. S.**, Most, S. B., & Simons, R. F. (October, 2008). At the crossroads of cognition-emotion interaction: Modulation of the late positive potential during cognitive reappraisal predicts subsequent Stroop performance. In Hajcak, G. (Chair), *From the chaos of thought and passion: Multiple perspectives on emotion-cognition interactions*. Symposium presented at the 48th Annual Meeting of the Society for Psychophysiological Research, Austin, TX.
- Huppert, J. D., **Moser, J. S.**, Loew, B. A., Foa, E. B., & Mathews, A. (November, 2007). The impact of stress on interpretation bias in social anxiety: An experimental approach. In Yoon, K. L. (Chair), *Understanding social anxiety: Interpretation bias and its implications for interventions*. Symposium presented at the 41st Annual Convention of the Association for Behavior and Cognitive Therapies, Philadelphia, PA.
- Moser, J. S.**, Cahill, S. P., & Foa, E. B. (November, 2006). Does the addition of cognitive restructuring enhance the efficacy of prolonged exposure in PTSD patients with

severe trauma-related cognitions? In Feeny, N. C. (Chair), *Trauma-related cognitions among assault survivors with PTSD symptoms*. Symposium presented at the 22nd Annual Meeting of the International Society for Traumatic Stress Studies, Hollywood, CA.

Moser, J. S., Krompinger, J. W., Bukay, E., Hajcak, G., & Simons, R. F. (October 2006). An ERP investigation of emotion regulation to affective pictures. In **Moser, J. S.** & Hajcak, G. (Co-chairs), *Emotion regulation in the laboratory: Central and peripheral correlates of the cognitive control of emotion*. Symposium presented at the 46th Annual Convention for the Society for Psychophysiological Research, Vancouver, BC, CA.

Hajcak, G. **Moser, J. S.**, Nieuwenhuis, S. T., & Simons, R. F. (October 2006). Appraising and reappraising affective pictures: Automatic and conscious emotion regulation strategies modulate the LPP. In **Moser, J. S.** & Hajcak, G. (Co-chairs), *Emotion regulation in the laboratory: Central and peripheral correlates of the cognitive control of emotion*. Symposium presented at the 46th Annual Convention for the Society for Psychophysiological Research, Vancouver, BC, CA.

Hajcak, G., **Moser, J. S.**, Huppert, J. D., Simons, R. F., & Foa, E. B. (November 2005). Resolving ambiguity: Electrophysiological evidence for a negative interpretation bias in social anxiety. In Huppert, J. D. (Chair), *From the laboratory to the clinic: A translational approach to information processing in social anxiety*. Symposium presented at the 39th Annual Convention for the Association of Behavioral and Cognitive Therapy, Washington DC.

Hajcak, G., **Moser, J. S.**, & Simons, R. F. (September 2005). Error value, affective distress, and the ERN/Pe complex. In Hajcak, G. (Chair), *Affective and motivation perspectives on error-related brain activity*. Symposium presented at the 45th Annual Convention of the Society for Psychophysiological Research, Lisbon, Portugal.

Moser, J. S., Hajcak, G., Holroyd, C. & Simons, R. F. (October 2004). The effects of feedback magnitude and valence on the P300. In Hajcak, G. (Chair), *Event-related brain activity and the appraisal of negative feedback*. Symposium presented at the 44th Annual Convention for the Society of Psychophysiological Research, Santa Fe, NM.

Hajcak, G., Holroyd, C., **Moser, J. S.**, & Simons, R. F. (October 2004). What is a bad outcome: The effect of value and experimental context on the feedback negativity. In Hajcak, G. (Chair), *Event-related brain activity and the appraisal of negative*

feedback. Symposium to be presented at the 44th Annual Convention for the Society of Psychophysiological Research, Santa Fe, NM.

- Hajcak, G., Huppert, J. D., **Moser, J. S.**, Simons, R. F., & Foa, E. B. (November 2004). Using event-related brain potentials in the investigation of interpretation bias in socially anxious subjects. In Dimoulas, E. & McTeague, L. M. (Co-Chairs), *Psychophysiology of emotional processing: The influence of individual differences*. Symposium to be presented at the 38th Annual Convention for the Association for the Advancement of Behavior Therapy, New Orleans, LA.
- Huppert, J. D., **Moser, J. S.**, Riggs, D. S., Spokas, M., Filip, J., & Foa, E. B. (November 2003). OCD-PTSD comorbidity: Do depression and symptom overlap account for it? In Huppert, J. (Chair), *Mechanisms of comorbidity in the anxiety disorders*. Symposium presented at the 37th Annual Convention for the Association for the Advancement of Behavior Therapy, Boston, MA.
- Roth, D. A., Storch, E. A., Coles, M. E., Heimberg, R. G., **Moser, J. S.**, & Bravata, E. (November 2003). The experience of childhood teasing: Possible long-term effects on psychological and interpersonal functioning in adulthood. In Storch, E. A. & Grills, A. E. (Chairs), *Does bullying cause adjustment problems? New findings and future directions*. Symposium presented at the 37th Annual Convention for the Association for the Advancement of Behavior Therapy, Boston, MA.
- Franklin, M. E., Foa, E. B., & **Moser, J.** (2002, November). Is the whole greater than the sum of its parts? Combined treatment in OCD. In Tolin, D. F. (Chair), *The effectiveness of CBT for medication nonresponders with anxiety disorders*. Symposium presented at the 36th Annual Convention for the Association for the Advancement of Behavior Therapy, Reno, NV.
- Riggs, D. S., Huppert, J. D., **Moser, J.**, Spokas, M. E., Filip, J., & Foa, E. B. (2002, November). PTSD and OCD: Symptom overlap and clinical presentation. In Huppert, J. & Riggs, D. S. (Chairs), *Treatment of anxiety disorders: Complications arising from comorbid psychopathology*. Symposium presented at the 36th Annual Convention for the Association for the Advancement of Behavior Therapy, Reno, NV.
- Riggs, D. S., Rauch, S., **Moser, J.**, & Foa, E. B. (November 2002). Perceived shifts in cognitions and symptoms of PTSD in recent assault survivors. In Rauch, S. A. M. (Chair), *Cognitions and PTSD*. Symposium presented at the 36th Annual Convention for the Association for the Advancement of Behavior Therapy, Reno, NV.

POSTER PRESENTATIONS

- Velehorsch, T., Winters, A.M., Louis, C.C., & Moser, J.S. (2020, October 7 – 11). Investigating the Role of Hormones in the Association between Worry and the ERN. Poster presented at the Society for Psychophysiological Research Virtual Annual Meeting.
- Winters, A.M., Velehorsch, T., Louis, C.C., & Moser, J.S. (2020, June 1 – September 1). Estradiol Moderates the Relationship Between Anhedonia and the Error-Positivity (Pe). Poster presented at the APS Poster Showcase, Virtual.
- Webster, C.T., & **Moser, J.S.** (2019, September). *Conflict monitoring moderates the relationship between attentional focus and conflict resolution in the flanker task*. Poster presented at the 59th Annual Meeting of the Society for Psychophysiological Research. Washington, DC.
- Louis, C., **Moser, J.S.** (2019, September). *Estradiol Levels Modify the Functional Role of the ERN in Post-Error Adaptation*. Poster presented at the 59th Annual Meeting for the Society for Psychophysiological Research, Washington, DC.
- Gloe, L., Russman Block, S., & **Moser, J.S.** (2019, September). *OCD checking symptoms and the ERN across the menstrual cycle: A replication and exploration of methodological challenges and potential solutions*. Poster presented at the 59th Annual Meeting for the Society for Psychophysiological Research, Washington, DC.
- Guzman, P., Marras, M., Louis, C., & **Moser, J.S.** (2019, September). Examining the relationship between the stability and fluctuation of hormones and mood across the menstrual cycle. Poster presented at the 59th Annual Meeting for the Society for Psychophysiological Research, Washington, DC.
- Guevarra, D. A., **Moser, J. S.**, & Kross, E. (2019, February). *Are they real? Non-deceptive placebos reduce emotional reactivity in both self-report and EEG data*. Poster session presented at the Society for Personality and Social Psychology, Portland, OR.

- Gloe, L., Louis, C., Fix, S., Bernat, E., **Moser, J.** (2018, October) *Estradiol Moderates the Relationship between Worry and Error-Related Phase Synchrony*. Poster presented at 58th Annual Meeting for the Society for Psychophysiological Research, Quebec City, QC.
- Louis C., Gloe L. & **Moser J.** (2018, September). *Worry, Not Arousal or Anhedonia, is Associated with Reduced Accuracy on a Verbal Working Memory Task*. Poster presented at the Society for Research in Psychopathology (SRP) Annual Meeting, Indianapolis, IN.
- Rothschild, L. & **Moser, J. S.** (2018, May). *Worry and working memory: Considering the role of estradiol*. Poster presented at the 30th Annual Convention of the Association for Psychological Science in San Francisco, CA.
- Louis, C., **Moser, J. S.**, & Huppert, J. D. (2018, May). *Cognitive behavioural therapy and attention bias modification produce neurocognitive change in individuals with social anxiety disorder*. Poster presented at the 30th Annual Convention of the Association for Psychological Science in San Francisco, CA.
- Sem K., Rothschild L, Louis C. , & **Moser J** (2018, May). *Examining Whether Age Moderates the Relationship between Anxiety and ERN in Youth*. Poster presented at Annual Convention of the Association for Psychological Science, San Francisco, CA.
- Peng, L., Schroder, H., & **Moser, J. S.** (2017, October). *Increased alpha activity indicates attention diversion in high worriers: An electrophysiological investigation*. Poster at the 57th Annual Meeting of the Society for Psychophysiological Vienna, Austria.
- Slate, R., Schroder, H. S., Fisher, M. E., Durbin, E., & **Moser, J. S.** (2017, May). *Convergent validity of ERN and Pe across flanker and go/no-go tasks in community* Poster presented at the 29th Annual Meeting of the Association for Science in Boston, MA.
- Kneip, C., & **Moser, J.S.** (2016, September). *Estradiol moderates the relationship between ERN and performance*. Poster presented at the 56th Annual Meeting of the Society Psychophysiological Research in Minneapolis, MN.

- Schroder, H.S., Lin, Y., & **Moser, J.S.** (2016, September). *Anxiety is associated with enhanced reactivity to emotional contrasts: a trial-to-trial examination of the late potential*. Poster presented at the 56th Annual Meeting of the Society for Psychophysiological Research in Minneapolis, MN.
- Lo, S., Durbin, C.E., & **Moser, J.S.** (2016, September). *Fostering effortful control in young children with a brief group training: a neurobehavioral approach*. Poster the 56th Annual Meeting of the Society for Psychophysiological Minneapolis, MN.
- Lin, Y., Peng L., Roberts, S., Callahan, C., & **Moser, J.S.** (2016, September). *Feeling the (B) ERN? Examining the relationship between error monitoring and emotion*. Poster presented at the 56th Annual Meeting of the Society for Psychophysiological Research in Minneapolis, MN.
- Fisher, M., Lin, Y., & **Moser, J.S.** (2016, September). *The relationship between mindfulness and attention to negative events: an electrophysiological investigation*. Poster the 56th Annual Meeting of the Society for Psychophysiological Minneapolis, MN.
- Delli Paoli, A.G., Parks, A.C., Schroder, H.S., **Moser, J.S.**, & Pontifex, M.B. (2016, September). *Exercise-induced modulations of error-surrounding brain activity in with high and low levels of worry*. Poster presented at the 56th Meeting of the Society for Psychophysiological Research in Minneapolis, MN.
- Parks, A.C., Delli Paoli, A.G., Schroder, H.S., **Moser, J.S.**, & Pontifex, M.B. (2016, September). *Differential effects of a single bout of physical activity on attentional in high- and low-anxious individuals*. Poster to be presented at the 56th Meeting of the Society for Psychophysiological Research in Minneapolis, MN.
- Callahan, C. P., Schroder, H. S., & **Moser, J. S.** (2016, May). *Experiential avoidance mediates the relation between worry and anxiety sensitivity*. Poster to be presented at the 28th Annual Convention of the Association for Psychological Science in Chicago, IL.

- Kulesa, K., Fisher, M., Schroder, H. S., & **Moser, J. S.** (2016, May). *The role of parental emotion mindset in the intergenerational transmission of depression*. Poster to be presented at the 28th Annual Convention of the Association for Psychological Science in Chicago, IL.
- Preiser, B. J., Dawood, S., Donnelley, M. B., Gandhi, A. U., Schroder, H. S., & **Moser, J. S.** (2016, May). *I believe I can cry: Empathy beliefs moderate the empathy-relationship*. Poster to be presented at the 28th Annual Convention of the Association for Psychological Science in Chicago, IL.
- Bruchnak, A. E., Lin, Y., Pen, L., Roberts, S. M. M., & **Moser, J. S.** (2016, May). *Attentional change after mindfulness meditation intervention predicts stereotype threat performance: An electrophysiological investigation*. Poster to be presented at the 28th Annual Convention of the Association for Psychological Science in Chicago, IL.
- Lin, Y., Burton, G. M., Callahan, C. P., Sandel, A., Slating, T. A., Spring, H. E., & **Moser, J. S.** (2016, May). *Relationships between error monitoring and emotion processing: A study*. Poster to be presented at the 28th Annual Convention of the Association for Psychological Science in Chicago, IL.
- Kneip, C., & **Moser, J.S.** (2015, November). *Ovarian hormones moderate the relationship between anxiety and error processing*. Poster presented at the 4th Annual Michigan State University Conference on Women's Health Research in East Lansing, MI.
- Kneip, C., Kross, E., & **Moser, J.S.** (2015, October). *Increased reactivity while deeply analyzing vs. simply recalling emotional memories in socially anxious individuals*. Poster presented at the 55th Annual Meeting of the Society for Psychophysiological Research in Seattle, WA.
- Schroder, H.S., Fisher, M.E., Lo, S.L., Danovitch, J.H. & **Moser, J.S.** (2015, October). *Empathy and Error Monitoring in School-Age Children: An electrophysiological study*. Poster presented at the 55th Annual Meeting for the Society for Psychophysiological Research in Seattle, WA.
- Lin, Y., Fisher, M. E., Finch, J. D., Roberts, S. M. M., Bracken, K. K., & **Moser, J. S.** (October 2015). *Minding Emotions: Investigating the Effects of Mindfulness Training on Affective Processing*. Poster presented at the 55th annual meeting of the

Society of Psychophysiological Research. Seattle, Washington.

- Henning, D.A., Parks, A.C., Lamkin, S., Schroder, H.S., **Moser, J.S.**, & Pontifex, M.B. (2015, October). *Activity-based modulation of error-related brain activity in high-anxious individuals*. Poster presented at the 55th Annual Meeting for the Society for Psychophysiological Research in Seattle, WA.
- Dykstra, T.R., Schroder, H.S., & **Moser, J.S.** (2015, October). *Evaluating dopamine's relationship to performance monitoring using spontaneous blink rate*. Poster presented at the 55th Annual Meeting for the Society for Psychophysiological Research, Seattle, WA.
- Lo, S. L., Durbin, C. E., & **Moser, J. S.** (2015, October). *Neurophysiological markers of conflict-monitoring as indicators of temperamental effortful control and fear proneness in young children*. Accepted for poster presentation at the 55th Annual Meeting of the Society for Psychophysiological Research, Seattle, WA.
- Fisher, M., Lin, Y., Bennet, K., & **Moser, J.** (June 2015). *Neurophysiological evidence linking mind-body-intervention to PTSD: A case study*. Poster presented at the annual meeting of the Mind and Life Summer Research Institute, New York, NY.
- Fisher, M., Lin, Y., Bennett, K., **Moser, J.S.** (May 2015). *Neurophysiological evidence of the effectiveness of Yoga for PTSD: A case study*. Poster presented at the 27th Annual Convention of the Association for Psychological Science in New York, NY.
- Schroder, H., Yalch, M., Dawood, S., Donnellan, B., **Moser, J.S.** (May 2015). *Mindset specificity: Evaluating convergent and discriminant validity of implicit theories measures*. Poster presented at the 27th Annual Convention of the Association for Psychological Science in New York, NY.
- Lin, Y., Fisher, M., Finch, J., Roberts, S., Bracken, K., **Moser, J.S.** (May 2015). *Electrophysiological investigation on the effects of mindfulness training on affective processing*. Poster presented at the 27th Annual Convention of the Association for Psychological Science in New York, NY.
- Roberts, S., Finch, J., Lin, Y., Schroder, H., Moser, **J.S.** (May 2015). *Dispositional mindfulness and growth mindset endorsement: Unique and interactive impacts on anxious arousal*. Poster presented at the 27th Annual Convention of the Association for Psychological Science in New York, NY.

- Lo, S., Schroder, H., Fisher, M., **Moser, J.S.**, Danovitch, J. (May 2015). *Neurophysiological evidence linking children's mindset and post-error performance*. Poster presented at the 27th Annual Convention of the Association for Psychological Science in New York, NY.
- Schroder, H.S., Yalch, M.M., Dawood, S., Donnellan, M.B., & **Moser, J.S.** (2015, April). Do you think you can change? Implicit theories of anxiety relate to mental health symptoms, well-being, treatment expectations, and psychological flexibility. Poster presented in Schroder, H.S. group poster presentation *Implicit Theories About Anxiety and Depression: Correlational and Experimental Findings* at the 35th Annual Conference of the Anxiety and Depression Association of America in Miami, FL.
- Kneip, C., Kross, E., & **Moser, J.S.** (2015, April). *Self-distancing is Adaptive When Analyzing, but Not Simply Recalling, Negative Autobiographical Experiences: A Combined Self-report and Neurophysiological Investigation*. Poster presented at the 35th Annual Conference of the Anxiety and Depression Association of America in Miami, FL.
- Jones, K. B., Morrill, T. H., **Moser, J. S.**, Sanders, L. D., McAuley, J. D. (2014, November). Electrophysiological correlates of the effect of distal speech rhythm on word learning. Poster presented at the 13th Annual Auditory, Perception, Cognition, and Action Meeting, Long Beach, CA.
- Moser, J. S.**, Kneip, C. A., Moran, T. P., & Klump, K. L. (2014, November). *Associations between ovarian hormones and multiple facets of anxiety and depression*. Poster presented at the 11th Anniversary Interdisciplinary Women's Health Research Symposium, NIH, Bethesda, MD.
- Moran, T.P. & **Moser, J.S.** (2014, November). *The Structure of attentional biases in anxiety: A latent variable analysis*. Poster presented at the 48th annual convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- Schroder, H.S., Dawood, S., Yalch, M.M., Donnellan, M.B., & **Moser, J.S.** (2014, November). *Implicit Beliefs Relate to Psychopathology, Treatment Choice, and Motivation for Change*. Poster presented at the 48th Annual Convention of the Association for Behavioral and Cognitive Therapies in Philadelphia, PA.
- Yalch, M.M., Schroder, H.S., Dawood, S., & **Moser, J.S.** (2014, November). *Mindfulness as a mediator between dating violence and psychological distress*. Poster presented at the 48th Annual Convention of the Association for Behavioral and Cognitive Therapies in Philadelphia, PA.

- Lin, J., Moran, T. P., Schroder, H. S., & Moser, J. S. (2014, September). *On the right side of mistakes: Evidence for a lateralized relationship between anxiety and the error-related negativity*. Poster presented at the 54th Annual Meeting of the Society for Psychophysiological Research, Atlanta, GO.
- Lo, S. L., **Moser, J. S.**, & Durbin, C. E. (2014, September). *A neurobehavioral assessment of sex differences in temperament and their relationship to internalizing problems in children*. Poster to be presented at the annual meeting of the Society for Research in Psychopathology, Evanston, IL
- Bennett, K.P., Schroder, H.S., & **Moser, J.S.** (2014, May). *I Think I Can, I Know I Can: Implicit Beliefs and Motivation for Change*. Poster presented at the 26th Annual Convention of the Association for Psychological Science in San Francisco, CA.
- Ellis, J.D., Schroder, H.S., & **Moser, J.S.** (2014, May). *Increasing Negative Emotions in Psychopathic Undergraduates: An Event-Related Brain Potential Investigation*. Poster presented at the 26th Annual Convention of the Association for Psychological Science in San Francisco, CA.
- Kneip, C., Schroder, H.S., & **Moser, J.S.** (2014, May). *Emotion Regulation Predicts Life Satisfaction Among Individuals with Neuroticism*. Poster presented at the 26th Annual Convention of the Association for Psychological Science in San Francisco, CA
- Wiese, A.D., Schroder, H.S., & **Moser, J.S.** (2014, May). *Differentiating Trait Reappraisal and Suppression Across Multiple Levels of Processing*. Poster presented at the 26th Annual Convention of the Association for Psychological Science in San Francisco, CA.
- Fromboluti, E.K., Jones, K.B., Moran, T.P., **Moser, J.S.**, & McAuley, J.D. (2014, May). *Differential effects of pitch and time on event-related potentials may underlie distortions in perceived duration in an auditory oddball task*. Poster presented at the 5th meeting for the Neurosciences and Music, Dijon, FR.
- Moser, J.S.** & Moran, T.P. (2014, April). *Sex differences in the relationship between anxiety and error-related brain activity: A meta-analysis*. Poster presented at the 8th Annual meeting of the Organization for the Study of Sex Differences, Minneapolis, MN.
- Schroder, H.S., Yalch, M.M., Dawood, S., Donnellan, M.B., & **Moser, J.S.** (2014, March). *Clinical Mindsets: Beliefs of Malleability Relate to Mental Health and Treatment Choice*. Poster presented at the 34th Annual Conference of the Anxiety and Depression

Association of America in Chicago, IL.

Schroder, H.S., Dawood, S., Yalch, M.M., Donnellan, M.B., & **Moser, J.S.** (2014, March). *Clinical Assessment of Implicit Theories Measures*. Paper presented at the 2014 Annual Meeting of the Society for Personality Assessment in Arlington, VA.

Yalch, M. M., Schroder, H. S., Dawood, S., Levendosky, A. A., & **Moser, J. S.** (2013, November). *Effects of Dating Violence on Symptoms of Social Anxiety*. Poster presented at the annual Michigan State University Conference on Women's Health Research, East Lansing, MI.

Kim, E., Jones, K. B., Moran, T. P., **Moser, J. S.**, & McAuley, J. D. (2013, November). *Electrophysiological markers of perceived duration in an auditory oddball paradigm*. Poster presented at the 43rd Annual Meeting of the Society for Neuroscience, San Diego, CA.

Moser, J. S., Moran, T. P., & Kross, E. (2013, October). *What's in your name? Linguistic self-distancing attenuates neurophysiological markers of negative emotion processing*. Poster presented at the 53rd Annual Meeting of the Society for Psychophysiological Research, Florence, Italy.

Schroder, H. S., Moran, T. P., & **Moser, J. S.** (2013, October). *Expressive writing improves cognitive efficiency in worriers: Evidence from performance- monitoring ERPs*. Poster presented at the 53rd Annual Meeting of the Society for Psychophysiological Research, Florence, Italy.

Lo, S. L., Schroder, H. S., **Moser, J. S.**, & Durbin, C. E. (2013, September). *A Psychobiological Model of Fear-proneness and Internalizing Behaviors: The Moderating Role of Effortful Control*. Poster presented at the annual meeting of the Society for Research in Psychopathology, Oakland, CA.

Glazer, J. E., Bennett, K. P., Schroder, H. S., Moran, T. P., & **Moser, J. S.** (2013, May). *Error-preceding brain activity reveals cognitive control dynamics in anxiety*. Poster presented at the 25th Annual Convention of the Association for Psychological Science, Washington, DC.

Schroder, H. S., Dawood, S., **Moser, J. S.**, & Burt, A. (2013, May). *Subtypes of antisocial behavior differentially relate to neurobehavioral markers of performance consistency*. Poster presented at the 25th Annual Convention of the Association for Psychological Science, Washington, DC.

- Moran, T., Berger, N., Ingersoll, B., **Moser, J.**, & Durbin, E. (2012, October). *Oh no, look away! Electroencephalographic evidence for vigilance-avoidance in anxiety.* Poster presented at the 26th Annual Meeting of the Society for Research in Psychopathology, Ann Arbor, MI.
- Schroder, H., **Moser, J.**, Durbin, E., & Donnellan, B. (2012, October). *Implicit beliefs and emotional change: A quick fix or a slow growth.* Poster presented at the 26th Annual Meeting of the Society for Research in Psychopathology, Ann Arbor, MI.
- Schroder, H. S., & **Moser, J. S.** (2012, September). *When the rules are reversed: Action-monitoring consequences of response switching.* Poster presented at the 52nd Annual Meeting of the Society for Psychophysiological Research, New Orleans, LA.
- Schroder, H. S., **Moser, J. S.**, & Donnellan, M.B. (2012, September). *The mindset of mistakes: Growth mindset induction facilitates adaptive error processing and adjustments.* Poster presented at the 52nd Annual Meeting of the Society for Psychophysiological Research, New Orleans, LA.
- Moran, T. P., & **Moser, J. S.** (2012, September). *Working memory load enhances action monitoring: Implications for the study of anxiety.* Poster presented at the 52nd Annual Meeting of the Society for Psychophysiological Research, New Orleans, LA.
- Moran, T. P., **Moser, J. S.**, & Becker, M. W. (2012, September). *Differential effects of state-anxiety on attentional capture in trait-anxiety and worry: Behavioral and neural evidence.* Poster presented at the 52nd Annual Meeting of the Society for Psychophysiological Research, New Orleans, LA.
- Moran, T. P., & **Moser, J. S.** (2012, May). *Enhanced attentional capture in worry is moderated by stress.* Poster presented at the 24th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Schroder, H. S., & **Moser, J. S.** (2012, May). *Feelin' blue about the ol' switcheroo: Depression exacerbates performance decrements after s-r reversals.* Poster presented at the 24th Annual Convention of the Association for Psychological Science, Chicago, IL.

- Liu, Y., **Moser, J.**, & Aviyente, S. (2011, September). *Community detection for directional neural networks inferred from EEG data*. Poster presented at the 33rd Annual International Conference of the IEEE Engineering in Medicine and Biology Society, Boston, MA.
- Moran, T. P., **Moser, J. S.**, & Jendrusina, A. (2011, September). *It's not the size of the ERN than counts, it's how you use it: Evidence for a sex-moderated relationship between anxiety and the ERN*. Poster presented at the 51st Annual Meeting of the Society for Psychophysiological Research, Boston, MA.
- Schroder, H. S., **Moser, J. S.**, Heeter, C., & Lee, Y-H. (2011, May). *Mind your errors: Neural evidence linking growth mindset to remedial action*. Poster presented at the 23rd Annual Meeting of the Association for Psychological Science, Washington, DC (Student Poster Award Winner).
- Moran, T., & **Moser, J. S.** (2010, October). *To worry or to tremble? The error-related negativity provides an answer*. Poster presented at the 50th Annual Meeting of the Society for Psychophysiological Research, Portland, OR.
- Moser, J. S.**, & Klump, K. L. (2010, May). *Action monitoring event related brain potentials reveal self-regulatory deficits in binge eaters*. Poster presented at the 22nd Annual Meeting of the Association for Psychological Science, Boston, MA.
- Moser, J. S.**, & Simons, R. F. (2009, October). *Attention biases in social anxiety and depression as revealed by event-related brain potentials*. Poster presented at the 49th Annual Meeting of the Society for Psychophysiological Research, Berlin, Germany.
- Moser, J. S.**, Kropfing, J. W., Malooly, A., Shroyer, N., Dietz, J., & Simons, R. F. (2008, October). *The psychophysiological signature of emotion regulation: Cognitive reappraisal versus behavioral suppression*. Poster presented at the 48th Annual Meeting of the Society for Psychophysiological Research, Austin, TX.
- Moser, J. S.**, Huppert, J. D., & Simons, R. F. (2007, November). *Abnormal processing of facial emotion in social anxiety: Electrophysiological and behavioral evidence*. Poster to be presented at the 41st Annual Convention of the Association for Behavior and Cognitive Therapies, Philadelphia, PA.

- Moser, J. S.,** & Simons, R. F. (2007, October). *The neural consequences of flip flopping: The feedback related negativity and commitment to reward prediction*. Poster presented at the 47th Annual Convention of the Society for Psychophysiological Research, Savannah, GA.
- Krompinger, J. W., **Moser, J. S.,** & Simons, R. F. (2007, October). *Investigating the negativity bias using the affective go/no go task with event related potentials*. Poster presented at the 47th Annual Convention of the Society for Psychophysiological Research, Savannah, GA.
- Grasso, D. J., **Moser, J. S.,** Dozier, M., & Simons, R. (2007, March). *Neural mechanisms of maternal motivation in humans: An ERP study*. Poster presented at the 2007 Society for Research in Child Development Biennial Meeting, Boston, MA.
- Moser, J. S.,** Duval, E., & Simons, R. F. (2006, October). *Friend, foe, or I don't know? Electrophysiological evidence of enhanced processing of neutral facial expression in social phobia*. Poster presented at the 46th Annual Convention of the Society for Psychophysiological Research, Vancouver, BC, CA.
- Krompinger, J. W., **Moser, J. S.,** & Simons, R. F. (2006, October). *Modulations of the late positive potential via cognitive emotion regulation to pleasant stimuli*. Poster presented at the 46th Annual Convention of the Society for Psychophysiological Research, Vancouver, BC, CA.
- Moser, J. S.,** Hajcak, G., Simons, R. F. (2005, September). *The temporal dynamics of facial processing in social anxiety: Evidence from a flankers task*. Poster presented at the 45th Annual Convention of the Society for Psychophysiological Research, Lisbon, Portugal.
- Moser, J. S.,** Hajcak, G., Simons, R. F. (2005, September). *The effects of cognitive and affective load on the correct-response negativity*. Poster presented at the 45th Annual Convention of the Society for Psychophysiological Research, Lisbon, Portugal.
- Hajcak, G., **Moser, J. S.,** Rupp, M. X., & Simons, R. F. (2005, September). *Categorizing arousing pictures: Affective and non-affective decisions differentially influence the late positive potential*. Poster presented at the 45th Annual Convention of the Society for Psychophysiological Research, Lisbon, Portugal.

- Moser, J. S.**, Hajcak, G., Bukay, E. & Simons, R. F. (2005, April). *The regulation of negative emotions: Evidence from Event Related Potentials*. Poster presented at the 12th Annual Convention of the Cognitive Neuroscience Society, New York, NY.
- Hajcak, G., **Moser, J. S.**, & Simons, R. F. (2004, April). *Motivational context: Influence on ERP and behavioral indices of response monitoring*. Poster presented at the 11th Annual Convention of the Cognitive Neuroscience Society, San Francisco, CA.
- Moser, J. S.**, Hajcak, G., & Simons, R. F. (2004, October). *Performance monitoring and attentional allocation during spider phobic symptom provocation*. Poster presented at the 44th Annual Convention of the Society for Psychophysiological Research, Santa Fe, NM.
- Hajcak, G., **Moser, J. S.**, Holroyd, C., & Simons, R. F. (2004, October). *Brain potentials associated with feedback appraisal: On the role of expectancy and valence*. Poster presented at the 44th Annual Convention of the Society for Psychophysiological Research, Santa Fe, NM.
- Moser, J. S.**, Spokas, M. E., Huppert, J. D., Riggs, D. S., Filip, J., & Foa, E. B. (2002, November). *The relationship between OCD and PTSD symptoms in patients seeking treatment for OCD or another anxiety disorder*. Poster presented at the 36th Annual Convention of the Association for the Advancement of Behavior Therapy, Reno, NV.
- Spokas, M. E., **Moser, J. S.**, Riggs, D. S., Huppert, J. D., Filip, J. C., & Foa, E. B. (2002, November). *Obsessive-compulsive symptoms in female assault victims*. Poster presented at the 36th Annual Convention of the Association for the Advancement of Behavior Therapy, Reno, NV.
- Rauch, S. A. M., Riggs, D. S., **Moser, J. S.**, & Foa, E. B. (2002, November). *Factor structure of the personal beliefs and reactions scale among recent trauma survivors*. Poster presented at the 36th Annual Convention of the Association for the Advancement of Behavior Therapy, Reno, NV.

TEACHING & MENTORING EXPERIENCE

Professor, Michigan State University

PSY 954: Cognitive Behavioral Therapy, Spring 2012-2017, 2019-2021

PSY 280H: Honors Abnormal Psychology, Spring 2010; Fall 2010; Fall 2011

PSY 280: Abnormal Psychology, Spring 2010, Spring & Fall 2017

PSY 200: Cognitive Psychology, Summer 2010

Instructor, University of Delaware

PSYC 100: Introductory Psychology, Summer, 2008; Summer, 2007; Fall, 2005

PSYC 481: Clinical Psychology, Spring, 2008

PSYC 467: Emotion and Cognition, Spring, 2007

PSYC 340: Cognition, Summer, 2006; Winter, 2006; Winter, 2005

Mentoring

DelaWorld incoming freshman advising, University of Delaware, Summer, 2005

Honor's Thesis Committees

Alex Jendrusina – Michigan State University (2010)

Rachel Hartwig – Michigan State University (2011), Chair

Hans Schroder – Michigan State University (2012), Chair

Spencer Hochstetler – Michigan State University (2012), Chair

Erin Garbarino – Michigan State University (2013), Chair

Jennifer Ellis – Michigan State University (2014), Chair

Sean Roberts – Michigan State University (2016), Chair

Katelyn Kulesa – Michigan State University (2016), Chair

Courtney Callahan – Michigan State University (2016), Chair

Kathy Sem – Michigan State University (2018), Chair

Ling Peng – Michigan State University (2019), Chair

McNair Scholar Advisor

Jazelle Wilson – Michigan State University (2011), Chair

Summer Research Opportunities Program Mentor

Isaac Arthur – Prairie View A& M University; Michigan State University (2015)

Master's Thesis Committees

Tim Moran – Michigan State University, Cognition (2012), Chair

Britny Hildebrandt – Michigan State University, Clinical (2012)

Nick Schade – Michigan State University, Clinical (2012)

Ellie Kim – Michigan State University, Cognition (2012)

Hans Schroder – Michigan State University, Clinical (2013), Chair

Sharon Lo – Michigan State University, Clinical (2014)

Alex Jendrusina – University of Illinois – Chicago, Clinical (2015)

Jeff Lin – Michigan State University, Clinical (2015), Chair

Katherine Jones – Michigan State University, Cognition (2015)

Chelsea Kneip – Michigan State University, Clinical (2016), Chair
 Katelyn Wills – Michigan State University, Cognition (2017)
 Natasha Fowler – Michigan State University, Clinical (2018)
 Laura Mayhall – Michigan State University, Clinical (2018)
 Livon Ghermezi – Michigan State University, Clinical (2018)
 Beier Yao – Michigan State University, Clinical (2018)
 Courtney Louis – Michigan State University, Clinical (2019), Chair
 Lilianne Rothschild – Michigan State University, Clinical (2019), Chair
 Chris Webster – Michigan State University, Clinical (2020), Chair
 Megan Mikhail – Michigan State University, Clinical (2020)
 Dominic Roberts – Michigan State University, Clinical (present)

Doctoral Committees

Parker Huston – Michigan State University, Clinical (2012)
 Alexia Spanos – Michigan State University, Clinical (2012)
 Jessica Suisman – Michigan State University, Clinical (2014)
 Brittany Lannert – Michigan State University, Clinical (2014)
 Lisa Vroman – Michigan State University, Clinical (2014)
 Tim Moran – Michigan State University, Cognition (2015), Chair
 Kelly Adams – Michigan State University, Nursing (2016)
 Luke Rapa – Michigan State University, Education (2016)
 Kathryn Smagur – Michigan State University, Clinical (2017)
 Natalie Berger – Michigan State University, Clinical (2017)
 Zach Miller -- Michigan State University, Linguistics (2017)
 Jessica Fox – Michigan State University, Linguistics (2017)
 Anthony Delli Paoli – Michigan State University, Kinesiology (2017)
 Sharon Lo – Michigan State University, Clinical (2017), Co-Chair
 Hans Schroder – Michigan State University, Clinical (2018), Chair
 Allison Siroky – Michigan State University, School Psychology (2019)
 Brooke Slawinski – Michigan State University, (2020)
 Megan Flanigan – Michigan State University, Nursing (2020)
 Antonia Garcia – Michigan State University, Clinical (2020)
 Yanli Lin – Michigan State University, Clinical (2020), Chair
 Beier Yao – Michigan State University, Clinical (2020 – Present)
 Courtney Louis – Michigan State University, Clinical (2019 – Present),
 Chair
 Lilianne Gloe/Rothschild – Michigan State University, Clinical (2019 –
 Present), Chair
 Ania Pathak – Michigan State University, Neuroscience (2017- Present),
 Chair
 Kara Cochran – Michigan State University, Clinical (2019 – Present),

CLINICAL EXPERIENCE

Licensed Psychologist, State of Michigan, Active

Licensed Supervisor, Michigan State University Psychological Clinic (September, 2016 – present):

Supervise graduate students and postdoctoral fellows on adult and child anxiety-related cases.

Postdoctoral Training, Michigan State University Psychological Clinic (September, 2010 – September, 2012):

2 year supervised practice of clinical assessment and treatment. Assessment and treatment of adult and child psychopathology with specific focus on anxiety disorders. Training in Structured Clinical Interview for DSM Disorders (SCID).

Training in SCID assessment of eating pathology.

Predoctoral Internship Training in Clinical Psychology, Boston Consortium in Clinical Psychology (September, 2008 – August, 2009):

8-month rotation at the National Center for Posttraumatic Stress Disorder (PTSD), Behavioral Sciences Division, at the Boston VA. Received training in assessment and treatment of PTSD and related symptoms in military veterans. 4-month rotation at Boston Medical Center. Received training in assessment and treatment of child and adolescent psychopathology.

Peer Supervisor, National Center for PTSD (February 2009 – August 2009): Supervised military veteran PTSD cases of 4th and 5th year graduate student therapists. Duties included conducting weekly supervision meetings with student therapists.

Peer Supervisor, Psychological Services Training Center, University of Delaware (February 2008 – August 2008):

Supervised adult anxiety disorders cases of 2nd and 3rd year graduate student therapists. Duties include watching videos of therapy sessions and conducting weekly supervision meetings with student therapists.

Psychology Practicum Student, Center for the Treatment and Study of Anxiety, University of Pennsylvania (July 2005-August 2008):

Trained in assessment of anxiety and related disorders, including administration and scoring of interviews and self-report questionnaires. Independent evaluator for NIMH grant “Maximizing Treatment Outcome in OCD”. Assessment of anxiety disorders and impulse-control disorders for outpatient anxiety disorders clinic. Trained in Cognitive Behavior Therapy for anxiety and related disorders: Prolonged Exposure Therapy for PTSD, Exposure and Response Prevention for OCD and Hoarding, Comprehensive CBT for Social Phobia, Panic Control Treatment, Acceptance and Commitment Therapy for GAD, Traumatic Grief Treatment, Habit Reversal and Stress Management Training for Trichotillomania and Kleptomania. Individual psychotherapy with adult and pediatric clients with anxiety disorders (full range) and impulse-control disorders (Trichotillomania, kleptomania).

Psychology Practicum Student, Psychological Services Training Center, University of Delaware (December 2003 – July 2005):

Trained in the assessment of social anxiety disorder and related disorders (e.g., depression, other anxiety disorders), including administration and scoring of interviews and self-report questionnaires. Trained in the assessment of child and adult psychopathology and administration and scoring of behavioral measures.

Trained in the assessment of child and adult learning disabilities. Trained in Cognitive Behavioral Therapy for Social Phobia. Trained in Cognitive Behavioral Therapy for aggressive children and adolescents. Trained in Functional Family Therapy. Individual psychotherapy with adult and adolescent clients. Family therapy (co-therapist) with 1 case. Group psychotherapy (co-therapist) with 1 group of children. Individual educational and behavioral assessment with adult and child/adolescent clients.

FORMAL CLINICAL TRAINING

Competency-Based Clinical Supervision: A Metatheoretical Approach, Dr. Carol Falender, Pepperdine University & Michigan State University, October, 2018

Cognitive Processing Therapy for Posttraumatic Stress Disorder, Dr. Patricia Resick, Boston VA, September, 2008

Prolonged Exposure Therapy for Posttraumatic Stress Disorder, Drs. Edna B. Foa, Elizabeth Hembree, David Riggs, Shawn Cahill, Elna Yadin, University of Pennsylvania, October, 2005

Comprehensive Cognitive Behavioral Therapy for Social Phobia, Drs. Jonathan Huppert, & Deb Roth, University of Pennsylvania, January, 2005

Comprehensive Cognitive Behavioral Therapy for Social Phobia, Drs. Edna B. Foa, Jonathan Huppert, Deb Roth, University of Pennsylvania, September, 2004

OTHER FORMAL TRAINING

International Workshop on Statistical Genetics and Methodology of Twin and Family Studies: The Introductory Course, Institute for Behavioral Genetics, University of Colorado at Boulder, March, 2010
