PSY Advising—Credit/No Credit Info Sessions
For Spring 2023 semester only, students are able to change from a numerical grading option and select the CR (Credit)/NC (No Credit) grading option through the end of the semester. More information and updates will be posted here. The Psychology Advising team will be offering a Zoom info meeting to talk about the CR/NC option—join us for this session on May 11, 3-4pm. Click here to register.

PSY labs looking for undergrad assistants
Dr. Kelly Klump’s Hormones & Behavior lab examines developmental differences in genetic, environmental, and neurobiological influences on behaviors. Research Assistants help us run study assessments for one of two different studies. Click here for info on the lab and to join.

The MSU Prenatal Stress Study is seeking to hire volunteer Research Assistants. This study examines the impacts prenatal stress has on mothers and infants. To learn more and/or to apply click here!

Human Resources Internship—Peckham Inc.
Peckham Inc. is seeking a student interested in learning all about Human Resources and engaging employees. This internship will assist with various projects and daily tasks to help enhance the overall employee experience. For more information, click here; contact Peckham representative Jillian Miller with questions.

Summer Volunteer/Internship—MSU Safe Place
MSU Safe Place is accepting volunteers and interns for the Summer 2023 semester. Are you interested in developing practical, work-related skills while providing trauma-informed, client centered care to survivors? For more information and to apply, click here.
Graduating Seniors—PSY Job opportunities!

The *Clinical Neuroscience Lab* at Michigan State University (cnl.psy.msu.edu) is seeking to hire a Research Assistant for a funded project investigating abnormal visual perception in people with schizophrenia and those at risk. [Click here for more information.](https://cnl.psy.msu.edu)

The *Henry Ford Sleep Disorders and Research Center* is hiring a full-time research assistant who wants to gain clinical research experience in a hospital setting. Candidates should be ready to commit to 1-2 years, starting May of 2023. Start date is flexible. [Click here for more info.](https://www.henryford.com/sleep-disorders-research-center/)

The *ACCESS for Mental Health Lab* at University of Illinois at Chicago (UIC) has two open positions available: [Research Associate](https://www.uic.edu/about/offices-units/psychology-education/clinical-neuroscience-lab) and [Lab Coordinator](https://www.uic.edu/about/offices-units/psychology-education/clinical-neuroscience-lab). Click each respective link for information and to apply!

**Loved College? Become a college adviser!**

[MSU College Advising Corps](https://www.msu.edu/campus-life/student-affairs/college-advising-corps/) (MSUCAC) places recent and soon-to-be MSU graduates in high schools throughout the state of Michigan to serve as near-peer college Advisers and AmeriCorps Members who assist underrepresented high school students and their families with the transition to post-secondary education, including four-year or two-year institutions and trade or technical schools. For more information and to apply, [click here](https://www.msu.edu/campus-life/student-affairs/college-advising-corps/).

**M.A. in Program Evaluation at MSU**

Your journey doesn’t have to end here. Continue your education on a higher learning path with MSU’s Master of Arts in Program Evaluation. Learn more about MSU’s master’s degree in the field of Program Evaluation [here](https://www.msu.edu/campus-life/student-affairs/college-advising-corps/).
