Have questions about the College of Social Science Experiential Learning Requirement? Join us for workshops to learn different ways to complete the requirement, including study abroad/away, internships, research, practicum programs, and service learning! Please check the dates and RSVP here.

PSY Human Service Internship Program- Apply now!

Applications are now open for the Human Service Internship for Spring/Summer 2025! This program is designed for the student planning for a career working directly with people in need. PSY 381 (spring) provides an opportunity for students to develop specific skills needed when providing direct service to individuals in the community. PSY 382 (summer) is the connected course with an approved internship experience. This course is a two-semester commitment; students must agree to sign up for both semesters in order to be allowed into the course. View additional details here and apply here.
