UNDERGRADUATE ADVISING

Congratulations Graduating Seniors

We would like to congratulate all those who will be completing their degree this semester. We are sad to not be able to participate in graduation commencement with you all this weekend. We hope that you all will tune into the live virtual commencement celebration on May 16th at 10 AM via [MSU'S Facebook](#) page. View additional details on the [commencement website](#). We wish you well in your next steps!

PSY Advising Appointments

The PSY Advisors are offering virtual advising appointments through zoom! All appointments can be made on [dashboard](#) by selecting the location Psychology-Zoom. Appointment lengths will be 20 minutes to advise as many students as possible during annual enrollment, please be prepared for your appointment by having your questions ready and a [tentative schedule](#) for your next academic year. New appointment times are added each Wednesday, if you do not see an open time slot please check back. We are experiencing a high volume of emails and appreciate your patience as we quickly and efficiently respond to all emails in the order they are received. If you have an urgent concern please call the undergraduate office (517-353-7271).

PSY Human Service Internship Program— Apply now!

Applications are now open for the Human Service Internship for Spring/Summer 2021! This program is designed for the student planning for a career working directly with people in need. It teaches students how to effectively help people in direct-service situations, whether through non-profit organizations (e.g., homeless shelters, domestic abuse programs, refugee services, foster care services) or government jobs (e.g., child protective services, foster care). The class uses lectures, discussions, guest speakers, videos, homework, in-class assignments, and tests to enhance your understanding of the material. This course is a two-semester commitment, (Spring/Summer) and students must agree to sign up for both semesters in order to be allowed into the course. View additional [details](#) and [apply](#) if interested! This can met your experiential learning!

Summer Courses Added-PSY 444(w) & NEU 310

Are you looking to complete your PSY tier II writing course this summer? A new section of PSY 444 (W) was recently added to the summer 2020 schedule of courses. Also added to the summer schedule is NEU 310 this is a popular interdepartmental course between PSY and NEU. You can find it now offered in summer 2020 by searching under the NEU department on schedule of courses.

Mark Your Calendars

Spring 2020 S/NS Grading Policy Options

MSU has a grading policy option for your spring 2020 semester grades to be transcribed on a [S/NS\(satisfactory/not satisfactory\) scale](#). A [FAQ page](#) is available to answer questions you may have about this policy. Please note that you will have a 2 week window to request this option for any course you wish to be changed beginning May 6th when grades are released. You must submit your choice by May 20th 11:59 PM.

Career Services Network

The Social Science Career Development team is eager to provide career guidance via Zoom and phone calls, you can make appointments through Handshake. In addition to appointments, Career Peers are still completing [electronic resume reviews](#). You can also view the [MSU Virtual Career Center](#) for details on events and services that have been moved to a virtual format.

Full-Time Research Technician Associate– UofM

The Michigan Neurogenetics and Developmental Psychopathology (MiND) lab, directed by Dr. Luke Hyde, and the Translational and Developmental Neuroscience (TaD) lab, directed by Christopher Monk, are searching for Research Technician Associates for two projects. These projects examine the development of adolescent and young adult risk and resilience from multiple levels of analysis (using fMRI, molecular genetics, longitudinal approaches, and psychiatric interviews with families and young adults from low-income neighborhoods). The Research Technician will help to coordinate and collect data on multiple projects including the MTwiNS project and the SAND project. View [position posting](#) for full details and how to apply.

Office of Undergraduate Research

The [Office of Undergraduate Research](#) has several new resources and virtual events to help undergraduate students explore, navigate, and showcase their research and creative scholarship. Currently participating in an undergraduate research experience? Learn how to continue, postpone, or conclude your research experience in a safe and professional manner by reviewing this [resource](#). Planning to conduct research or creative activity remotely or virtually this summer? Want to learn more about our free summer events and professional development opportunities? Let us know by completing this [survey](#).

Mid-SURE

Share your research at the Mid-Michigan Symposium for Undergraduate Research Experiences ([Mid-SURE](#)), our summer research forum. Mid-SURE will be virtual —more details coming soon. We encourage all undergraduate students (including May 2020 graduates) engaged in research or creative scholarship to present their research. Students registered for UURAF 2020 are also encouraged to participate in Mid-SURE. [Registration opens June 1st](#)
