UNDERGRADUATE ADVISING

Spring/Summer 2025 Seniors– Apply to Graduate!

Complete the online graduation application ASAP. Students who complete the application form allow for PSY advisors to check for graduation eligibility!

The Graduation Application is available at student.msu.edu. After clicking on the Academic Progress tile, find Apply for Graduation in the left-hand navigation under the Graduation heading. **If unable to apply but intend on graduating, [contact a PSY advisor ASAP.](#)**

What is an “Enrollment Appointment?”

The enrollment appointment is the date and time students may log in to student.msu.edu and begin enrolling for future courses and make updates to academic schedules. An enrollment appointment is NOT an appointment with an academic advisor. An appointment with an advisor is not required to begin enrolling; however, it is recommended.

Don’t wait! Plan ahead and schedule an advising appointment now!

*For scheduling questions, the **quickest way** to see a PSY advisor is via drop-in advising on ZOOM. See the bottom right corner of this newsletter for more info on how and when to connect.*
