PSY Human Service Internship Program: Apply Now!

Applications are now open for the Human Service Internship for Spring/Summer 2019! This program is designed for the student planning for a career working directly with people in need. It teaches students how to effectively help people in direct-service situations, whether through non-profit organizations (e.g., homeless shelters, domestic abuse programs, refugee services, foster care services) or government jobs (e.g., child protective services, foster care). The class uses lectures, discussions, guest speakers, videos, homework, in-class assignments, and tests to enhance your understanding of the material. Attendance is extremely important and will be strictly enforced. This course is a two-semester commitment, (Spring/Summer) and students must agree to sign up for both semesters in order to be allowed into the course. View additional details and apply on our website. Apply Today!

MSU Adolescent Project

If you are considering graduate school or a career in social sciences, the Adolescent Project is perfect for you! This program involves a 2-semester commitment (PSY 371/372), and will provide you with an opportunity to work one-on-one with an adolescent from the community. These youth have been referred by the juvenile court. The courses offer you initial training in working with adolescents and ongoing supervision of the case once assigned. This class is in high demand; therefore, students are selected through an interview process. This class only accepts 35-40 students per semester. Currently the program is still looking for 10-15 students for this summer/fall cohort! If you are interested, please contact the Director Sean Hankins at hankinss@msu.edu or visit office 236 of the PSY Building ASAP! There is an orientation on April 17th at 7 PM in PSY 230.

10th Annual International Lending Center Drive
The College of Communication Arts & Sciences will be holding the 10th Annual International Lending Center Drive, a donation drive for the International Student Lending Center on campus. This center serves international students by lending out donated household items for students and their families to use during their stay at MSU. This service helps make the transition to the United States both more comfortable and more affordable for these students. Because the items donated to this center are reused over and over again by different students and their families, contributions truly have a lasting effect on the Michigan State University community. Items needed include new or gently used household items such as bedding, dishes and bowls, cutlery and cookware, bathroom necessities, rugs, lamps, etc. (We are unable to accept furniture, clothing, toiletry or cleaning products). Financial contributions or gift cards will also be accepted and donated directly to the Lending Center. Items will be accepted until Friday, August 3rd, 2018. Donations can be dropped off in the South Lobby of the Comm. Arts Building or in 189 Communication Arts and Sciences. Questions contact Alicia at aliciab@msu.edu
