**PSY Human Service Internship Program**

Applications are now open for the Human Service Internship for Spring/Summer 2020! This program is designed for the student planning for a career working directly with people in need. It teaches students how to effectively help people in direct-service situations, whether through non-profit organizations (e.g., homeless shelters, domestic abuse programs, refugee services, foster care services) or government jobs (e.g., child protective services, foster care). The class uses lectures, discussions, guest speakers, videos, homework, in-class assignments, and tests to enhance your understanding of the material. Attendance is extremely important and will be strictly enforced. This course is a two-semester commitment, (Spring/Summer) and students must agree to sign up for both semesters in order to be allowed into the course. View additional details and apply on our website.

Working Internationals
International students who have gotten internships, a job, or into grad school will share their stories and advice, and will be joined by staff from OISS to discuss CPT/OPT, and Career Services to discuss career support. Pizza will be served, and this informal event will allow students to have conversations with students who have had U.S. accounting internships, finance internships, engineering internships, and received admission into graduate school. Join the International Scholars Advisory Board, Career Services Network, and the Office for International Students and Scholars on April 5th from 5-6 PM in room 113 Student Service Building for this event. Register on Handshake.

Peace Corps Campus Ambassador
The campus ambassador position is an unpaid internship of about five hours a week. Students in these positions have the opportunity to learn about the Peace Corps, develop professional skills like public speaking and organizing events, and otherwise increase their knowledge of the MSU community. The recruiters rely on campus ambassadors to reach people with those special skills sets, like French-speaking agriculturalists, or Spanish-speaking math teachers, or people who love tutoring, and especially tutoring English. If interested in applying reach out to Erika Kraus or Chad Papa at msupeace@msu.edu and/or apply online by Friday April 5th at 5 PM.

Undergraduate Research Ambassador Program
The Undergraduate Research Office is seeking applications for the 2018-19 Undergraduate Research (UR) Ambassador Program. UR Ambassadors are current undergraduate students engaged in research or creative activity in different fields of study across campus. UR Ambassadors facilitate workshops, assist at UURAF, and represent the Undergraduate Research Office at events and programs throughout the academic year. Interested applicants can view the eligibility criteria and apply online. The deadline to apply is Wednesday, April 10th 11:59 PM. The application process has two rounds: the online application form and an in-person interview. Interviews will take place during the last week of classes. Finalists will be notified of a decision no later than May 3rd. Questions? Contact Amanda Flores in the Undergraduate Research Office at 517-884-4384 or ugrsrch@msu.edu.
