We are excited to welcome new and returning students to campus this week! We hope that you have a great year! Read your PSY newsletter each month for department and campus event information.

Enjoy your first week and Go Green!

New Staff in the PSY Undergraduate Advising Office
We have some new faces in our office this academic year. Last spring semester we welcomed Rachael Zaborowski as our newest PSY advisor and this fall semester Kim Brown will be joining us starting September 4th as our newest administrative staff. Stop by the office next week to welcome Kim to the team!

Welcome New and Returning Students!
The Psychology Undergraduate Advising Office is excited to have students back on campus! The first few weeks of the semester will be very busy in our office. Please plan accordingly if you need assistance with class schedules. Reminder that the last day to add a class is September 5th by 8PM. If you have simple questions you can email the PSY advisors at psyugrad@msu.edu. We look forward to a great year!

Fall 2018 Graduates: Application Information
If you are graduating this fall make sure that you have completed your graduation application. The deadline to submit your application to ensure the listing of your name in the commencement program is August 31, 2018.

Welcome New Faculty!
The department of Psychology is excited to welcome Jae Puckett this fall semester. They will be teaching PSY 493 this fall semester with a topic focusing on Psychology of Sexual and Gender Diversity. Consider adding Jae’s course this fall, there is still a couple of seats open!

Research Assistant Recruitment
The Addiction Epigenetics Lab, directed by Dr. Shaunna Clark, needs research assistants! RA’s will be helping with a study that examines how genes influence the mental health side effects of alcohol and other pharmaceutical products. Requirements include: at least a 3.0 GPA, commitment to the lab for Fall 18 and Spring 19, must be reliable and motivated, must be able to attend regular lab meetings. To apply send a resume to Kaitlin Guston at gustonka@msu.edu.

Database Management Research Assistant
The timing of prenatal stress study is looking for an advanced undergraduate student who has experience with database management and using Qualtrics, Excel, and SPSS. This longitudinal study examines how the timing of stress occurring during pregnancy may affect maternal and infant physiological and behavioral reactivity and regulation. The faculty PIs are Alytia Levendosky, Anne Bogat, and Joe Lonstein. We are looking for a student who will work with Dr. Levendosky on managing the large databases with longitudinal data for about 10 hours/week. This could be done for 490 credit. We are interested in applicants with a 3.5 GPA or higher and who can provide 2 references. Please email Dr. Levendosky directly if you are interested at levendo1@msu.edu.

MSUFCU Intern Award
If you are an MSU undergraduate participating in an unpaid internship, this program is designed to encourage and support your initiative in finding experiential learning opportunities that help you prepare for your career. Funded by the generosity of the MSUFCU and individual donors, this program is administered through the MSU Career Services Network. Stipend awards of up to $1,000 each are available. The number of awards and dollar amounts will be based on available program funds and demonstrated student interest and need. Fall 2018 internships must occur during a significant period of time between August - December, 2018. Applications can be completed through D2L, visit the MSU Career Service Network page for complete application instructions. Deadline to apply is September 11, 2018 at 11:59 PM. Questions? Contact Victoria Morris at morrisvi@msu.edu.

Currently Accepting Applications for Student Tutors
The Student-Athlete Support Services Tutorial Program is now accepting applications for student tutors for the Fall 2018 Semester. Interested applicants may apply for paid part-time positions, most sessions occur Monday-Thursday from 8-3 PM and 6:30 –9:30 PM, must have completed two semesters at MSU to be considered. Visit the website for additional details and application instructions. Questions can be sent to tutor@sass.msu.edu.
