MSU Adolescent Project
If you are considering graduate school or a career in social sciences, the Adolescent Project is perfect for you! This program involves a 2-semester commitment (PSY 371/372), and will provide you with an opportunity to work one-on-one with an adolescent from the community. These youth have been referred by the juvenile court. The courses offer you initial training in working with adolescents and ongoing supervision of the case once assigned. This class is in high demand; therefore, students are selected through an interview process. This class only accepts 35-40 students per semester. If you are interested, please contact the Director Sean Hankins at hankinss@msu.edu or visit office 236 of the PSY Building ASAP! We are looking for students primarily for Summer/Fall and Fall/Spring semesters.

NSSC Self-Care Collection Drive
Join the Neighborhood Student Success Collaborative (NSSC) in supporting survivors of sexual assault and abuse. The NSSC is sponsoring a self-care collection drive for the clients who use services through the MSU Sexual Assault Program. This is a way for clients to know they are not alone and that members of the MSU community support them. View this flyer for a list of items that are being collected and for a list of donation collection locations. Any questions contact Jodi Roberto Hancock at honcockj@msu.edu or 517-884-4050.

Black Out Study Tables
The MSU Chapter of the NAACP and the North Neighborhood Engagement Center invite you to join us for Black Out Fridays Study Tables! Study tables are organized with the goal of creating an environment that is supportive to diverse populations, promoting academic success and building community and support. We will maintain two study spaces for students; one quiet study space for students that are studying more independently and another space that allows more noise for collaborative/group studying. Free and open to all students! FREE SNACKS and DOOR PRIZES every week- must be an MSU student to win prizes. View flyer for dates, times and locations!
