Happy November! We hope you had a safe and fun Halloween! Here are some upcoming events and important dates to note!

Business Psychology Internship Program - Apply Now!
Are you interested in completing an internship in Industrial and Organizational (I/O) Psychology or Human Resources during summer semester 2018? If so, the Business Psychology Internship Program is for you! During summer semester, students complete an internship related to I/O Psychology and enroll in the online course PSY 382. The course is variable credit. Students who enroll in 6 credits, intern 20 hours per week throughout summer semester. Applicants should possess a genuine interest in I/O Psychology, complete PSY 255 before summer 2018, be a rising junior or senior, and have a minimum 3.0 GPA. View this brochure for more program details and complete this application for admission. Applications will be accepted until November 22, 2017.

STRIVE Orientation Session
Striving Teen Relationships and Inspiring Valuable Experiences (STRIVE) is a course that was developed because of the need to tackle the stigmas and incompetence associated with youth sex offenders. This program partners with Ingham County Juvenile System and Michigan State University to give college students an opportunity to become an advocate and make an impact in the lives of such youth. STRIVE is conducting an orientation for students on November 1, 6 PM in room 119 PSY Building. Come learn more about the program and meet the staff. Contact Sean at hankinss1@gmail.com. Refreshments provided.

Adolescent Program Orientation Night
The Adolescent Program trains students from a variety of majors to become an advocate for a youth in the juvenile justice system. Advocates receive intensive training to create an intervention tailored to their youth’s strengths, skills/abilities, and unmet needs. Come learn more at our orientation night November 20th, 6 PM in room 230 PSY Building. View flyer and website for additional details.

Careers with a Cause: Social Justice and the Arts
Passionate about making a difference in your community through your career? Join us for cider, donuts, and conversation with professionals from nonprofits, advocacy organizations, the arts, and higher education about how they aligned their passion with their profession. Program is November 10, 2– 3:30 PM, 113 Student Services Building.

EPIC Orientation Night—Brand New Course!
We are excited to launch this course in Spring/Summer 2018 at Michigan State University! EPIC is a strength based multifaceted service learning program which will serve the youth population of young men of color in Ingham County between the ages of 10-17. View flyer for additional details. If interested in the program attend the orientation nights on November 28th & 29th, 6 PM 230 PSY Building. RSVP to Sean Hankins, hankinss@msu.edu. Refreshments provided.

Greece Study Abroad Program Information Session
The program is held on the beautiful Greek island of Lesvos also called Mytilene, in the Eastern Aegean Sea, an ideal location for a 6-week summer study abroad program experience. Classes are taught by MSU Faculty and include ISS and SOC courses. Attend this information session on Tuesday, November 14 from 7-9 pm in 114 Berkey Hall to learn more about this program. The program is during summer session 1 (May 14– June 20 2018). Application deadline is March 1st. View this flyer and study abroad program page for more details.

International Student Resource and Career Fair
This event focuses on job opportunities in the student’s home country, outside the United States, and employment opportunities that require OPT, CPT, or sponsorship in the United States. It will also feature resources from across campus, and community organizations aimed at supporting international initiatives. View Career Services Network for additional details. Program is November 3rd, 3-6 PM on the 3rd floor of the International Center.

Learning about Undergraduate Research
Make research an integral part of your MSU experience! Come learn about the opportunities available for involvement in research and creative activities at Michigan State. You can expect a short presentation, discussion, and Q & A facilitated by current undergraduate researchers. Join us November 13, 5:30-6:30 PM in Wells hall. Additional details can be found here.

MSU PSY Master of Arts in Program Evaluation
Graduating in May? Looking for a graduate program that will prepare you for a rewarding career helping to improve people’s lives? Consider the MSU Psychology Department’s Master of Arts in Program Evaluation. View a brief video introduction to the program evaluation field and our MA program.

Additional Section of PSY 493 added— Spring 2018
Have you completed your PSY tier II writing course? PSY 493 (W) Neuroscience of Child development (section 005) has been added for spring 2018. View course information on Schedule of Courses.
